# *Foreword*

"Books are keys to wisdom's treasures," and so the Centripetal, the Master Key, unlocks for its readers the door to valued remembrances of life at Central Catholic over the past year.

With the Key of Wisdom it opens to view the administration —those men and women whose lives and work develop, spiritually and scholastically, all the youth entering the portals of Central. The faculty, employing the Key of Knowledge, introduces the students to the classroom, where by diligent study and persistent application, these students cull the rewards and satisfactions of education.

As the year progresses each Centralite, selecting either the Key of Fortitude or the Key of Understanding, enters the field of athletics, endeavoring to uncover and experience the happiness there; or involves himself in one or more of the many other extra-curricular activities.

The treasures attainable by use of these keys are numerous, and the final compilation of them a synopsis of the 1954-1955 school life at Central Catholic High.

# *Dedication*

During the past year Pope Pius XII recognized the sterling character and outstanding accomplishments of Central's principal, Very Rev. John L. Harrington, and elevated him to the rank of Monsignor. In his eighteen years at Central, fourteen of which he has been principal, Monsignor has taken an active interest in all scholastic, spiritual, and extra-curricular activities of the school.

A native Toledoan, Monsignor received his elementary education in Good Shepherd grade school, attended St. Charles' High School and College, Catonville, Maryland, and St. Mary's Seminary, Baltimore, where he received his A.B. degree. He was ordained by Bishop Alter in 1932. Preceding his ordination he received his S.T.B. and M.A. degrees from the Catholic University at Washington, D.C.

His first appointment was to Cathedral (Chapel) parish as assistant pastor where he remained until he replaced the Rev. Edward J. Mattimore as assistant principal at Central in 1937. Monsignor succeeded the late Very Rev. R. G. Kirsch as principal, August 22, 1941, and has continued to serve in that capacity. Realizing that an addition to Central would provide opportunities for a Catholic education to a greater number of students, he inaugurated the construction of the new Memorial Wing in 1948.

As students who have profited by this enlargement the senior class, in sincere appreciation for his thoughtfulness and guidance, dedicate this, the 1955 Centripetal to Monsignor John L. Harrington.

Monsignor J. L. Harrington, A.M., S.T.B.
Principal of Central

# Principles of Catholicism

With the evils of Communism and materialism spreading throughout civilization, it is necessary for youth to have a strong foundation in the principles of Catholicism. For this reason the religion course aims to help the students think, speak and act according to the plan outlined by their Creator.

"Our Quest for Happiness," central theme of the religion course, is divided among the four years. The "Creative Love of God the Father" is taught to the freshmen, while the sophomore students study the "Redeeming Love of Christ the Incarnate Son." The juniors penetrate into the intricacies of the "Sanctifying Love of the Holy Ghost, and the work of the Church," while the seniors delve into the "Omnipotent Love of the Triune God," and consider the vocations they may select.

Mass and Holy Communion are offered every morning in the chapel, and on the First Friday of every month the students spend their religion period in the chapel instead of their classrooms.

# Gateway to Grace

Rev. K. Dreiling, CPPS

To combat the problems of growing youth, Central conducts an annual three day retreat, through which, by keeping complete silence and by meditating, the students gain grace and special assistance from God.

Through the advice and information provided by the retreat masters, Reverend L. E. Pire CPPS, and Reverend K. Dreiling CPPS, the students were imbued with a desire to not only learn but to live their Catholic principles.

# Foundation of Education

To be able to speak correct English is considered the mark of an educated person. For this reason Central maintains a four year course in English. Because this subject is a vital asset in the life of all students, it becomes one of the most important subjects in the school's curriculum.

Its foundation, grammar and literature, is laid in the freshman and sophomore years. In addition to these, the juniors are taught the fine points of a formal essay, plus an introduction to American literature to familiarize themselves with it. To supplement his curriculum, a senior may select Journalism, English Literature, or Public Speaking.

Tom McCall, **Dramatic Club** secretary, addresses Elaine Baumgartner, vice-president, and Binnie Harrison, president.

## Art of Speaking

Public Speaking, a semester elective, is maintained at Central to give seniors training in the art of speaking. Correct posture, clear diction, emphasis and stress, and variety of speech, are but a few of the fundamentals learned by the students. Towards the end of the semester, the orators give a demonstration speech, in which all of the techniques learned are employed.

In conjunction with the Public Speaking classes is the Dramatic Club. The Masquers, as it is officially entitled, has as its purpose the social development of each individual. The principal project of the Masquers this year was the production and management of the play "Curse You, Jack Dalton!"

# The Cultural Language

Latin, designated as the cultural language, appeals to many Centralites because it is the fundamental course for the priesthood, and also for such professions as medicine and law.

The tongue of the ancient Romans is offered to the student body as a four year course. During the first year, students are taught the basic principles of vocabulary and grammatical rules. Those partaking in second year Latin, master the more difficult constructions which enable them to translate Caesar's Gallic Wars. Centralites who seek a more thorough knowledge of this language study the orations of Cicero during the third year. Senior enthusiasts are able to engage in "conversational" Latin, as well as translate Virgil's Aeneid and the encyclicals of His Holiness, Pope Leo XIII.

The study of Latin produces in young men and women an understanding of ecclesiastical Latin, thus permitting them to better appreciate the various liturgical prayers of the Church.

1. O Tannenbaum, O Tannenbaum . . .

# Fascinating Customs

The Centralite who selects German as part of his curriculum is introduced by means of a two year course to the people and customs of a fascinating country.

In the first year, by studying sentence structure, verb forms, and vocabulary, he becomes acquainted with the language. This knowledge is then applied to speech and to the translating of short stories which are often as amusing as they are instructive.

In addition to this, the students learn "sprichworts" or proverbs, such as "Erst de Arbeit dann das Spiel" (first work then play), which are practical and applicable to their daily lives.

Besides furthering their knowledge of grammatical forms, the second year students read longer stories, study the novel, learn to say the Hail Mary, make the sign of the Cross, and sing German folk songs.

In these ways the student is able to understand and appreciate a country and people which have contributed so much to American heritage.

## Latin-American Traits

Spanish, in comparison with the few continental languages taught at Central, ranks high on many Centralites schedule as not only being an educational subject, but an enjoyable one as well.

As a student's knowledge of the Spanish language and of Spain is broadened, he will begin to learn the courteous manners, gestures, and habits of our Latin-American friends. The Spanish students also are given in the midst of their studies, the background of Spain, its fight for freedom, and the country's progress, commercially.

Along with the study of this romantic language come the Spanish songs, dances, and stories, and of course the annual assembly put on by the Spanish students.

## The Romantic Language

Romance! Whose ears fail to perk up at the very mention of the word?

Paris! Whose imagination doesn't reel with thoughts of the Eiffel Tower at night, the magnificence of Notre Dame, and the unique life in the Montmartre?

Films, records, folklore, and a variety of other supplementary and cultural aspects of France, gives the student a rich understanding of the language. This knowledge aids the student in literature, travel, and furthers his intellectual scope.

## Civilization's Story

Civilization's story (History), is an account of the life of man, and is offered in an extensive course at Central. Ancient and Medieval History in the first year, traces the story of man from his life as a cave dweller to his life as a feudal lord. Modern History, the second year course, relates the story of Modern Europe from the time of Charlemagne to the present day. American History, taken by all juniors, covers the journeys of the earliest explorers of its country, describes the formation of its government, and narrates its operation to the present day.

2. Don't get caught with the drawbridge down!

3. Bill Dew explains problems of nineteenth century Europe.

# Government Functions

To complete Central's social studies curriculum, courses in Government, Economics, and Sociology, are maintained.

Government, a subject which reveals the foundation and intricate machinery of local, state, and federal governments, is a semester requisite for all seniors. Economics and Sociology are semester electives offered to seniors interested in obtaining the Christian viewpoint of the social and economic problems of the country.

In order to promote a greater interest in the functions of government, Christ the King Civics Club, which is in its third year of operation, develops student interest in government participation.

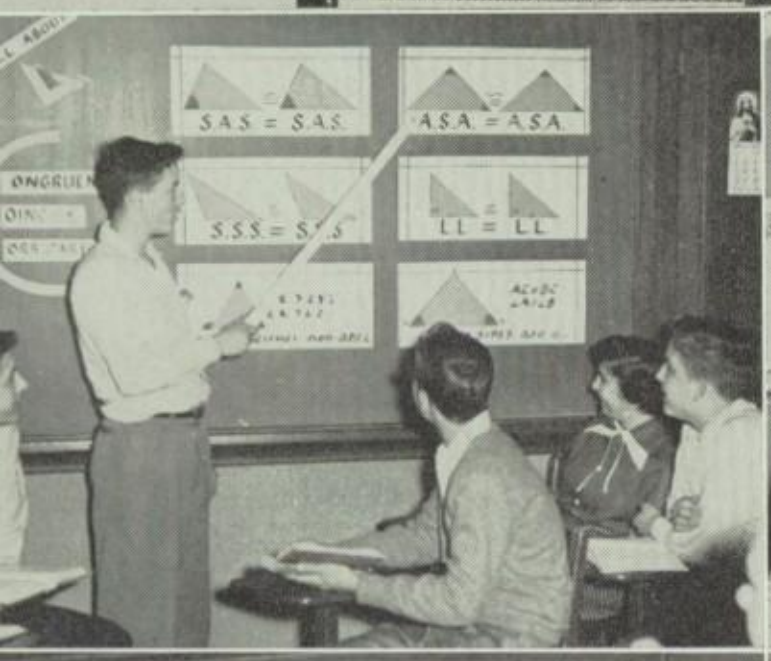
# Applications of Mathematics

Mathematics, which is offered in six separate courses at Central, enables the students to perceive how beneficial it is to mankind.

Algebra, offered to first year math students, is the foundation of advanced mathematics. Plane geometry, following Algebra, renders logical reasoning power, while in the third year, Advanced Algebra treats the relations and properties of numbers. Solid Geometry involves dimensional characteristics of solid figures, while Trigonometry involves the relations of sides and angles of triangles.

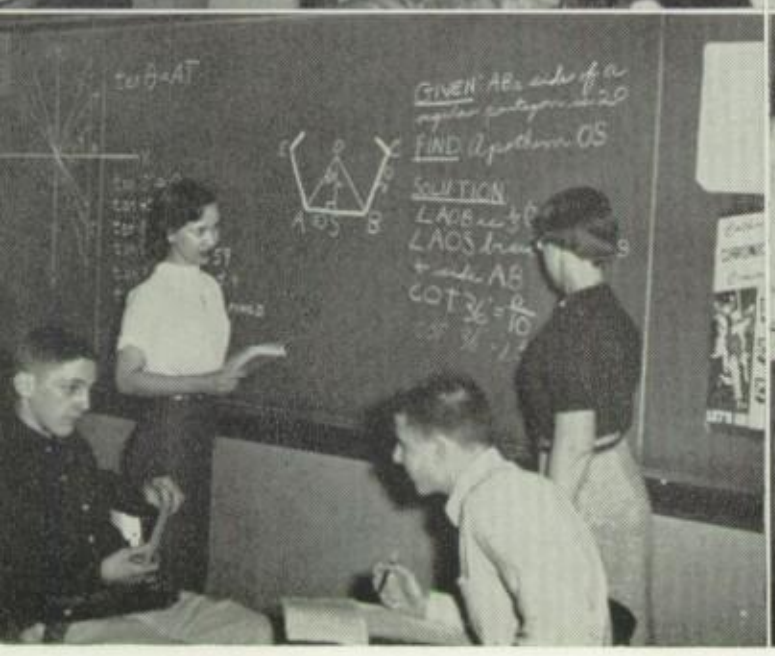
Students interested in the business world are offered courses in Business Arithmetic and General Mathematics.

Again this year, the senior math students published two editions of the Al-Geo-Trig, choosing as the central theme "The Development of Toledo Via Engineering Projects."



1. "Two triangles can be proved congruent, if . . ."

2. What crazy mixed-up math students!



3. It's not that tough, Ed.

4. Concentrate, Margaret.

1. Tomorrow's Engineers.
2. Fr. Schmitt supervises . . .
3. Ken Kaltenmark and Dave Conyers assemble cam shaft.

# Opportunities of Engineering

The drafting department of Central Catholic High School, unparalleled in the city or state, provides an excellent opportunity for the ambitious student to study the science of engineering in all perspectives.

First year drafting students learn projection geometry, surface development and various types of perspective. Machine design, gearing, cam design, and the use of slide rules are taught to sophomores and juniors.

As their project for the year, the junior and senior drafting students delved into the intricacies of an eight-cylinder Ford-type motor.

# Omnipotence of God

If a person were to peep through the keyhole of either room 301 or 310, he would find the students concentrating on a very interesting subject, Chemistry.

The course, which is open to juniors and seniors who have completed two years of mathematics, unfolds many mysteries of nature. As the student studies the various laws, theories, and principles connected with matter and the physical and chemical changes which it undergoes, words like formula, equation, and valence become very common in his vocabulary.

The great advantage of Chemistry is that the students not only reads, studies, and memorizes laws and theories, but applies their principles in laboratory experiments held twice a week.

As the year progresses and the student learns the fundamentals of both organic and inorganic Chemistry, and becomes aware of their values, he knows that Chemistry answers many of today's questions; and that industries depend greatly on Chemistry.

## Scientific Developments

Today, with the world in a state of constant scientific development and discovery, Physics is of utmost importance, for it is a basic science, and its principles can be applied to all the other branches of science.

Besides matter and the various physical changes it undergoes, the physicist studies the forms of energy, mechanics, heat, light, sound, and electricity.

Twice a week the student learns the importance of experiments when he proves in the laboratory the principles he has studied. Weekly movies also are shown to illustrate the application of the principles of physics in the various branches of science and this modern world.

# Media In Art

To infuse knowledge of beauty and art, with its varied media, is the purpose of the boys' art course at Central. Introduction to poster designing, oil and water coloring, woodcraft, metalcraft, sculpturing, and ceramics are pursued in this course. Mastery of these crafts enables the student to prepare himself to enter the world of secular art and to promote a worthy Catholic art.

Newest in the many activities of the art department, is the use of enamel on copper, through which designs can be achieved. The final product is attained by firing the pieces in kilns and drying them for subsequent display.

The boys' art students have the opportunity of becoming members in the Catholic Art Apostolate, which became a branch of the National Catholic Art Apostolate in 1950. This national art organization, which was established in 1937, aims to restore all things to Christ.

# Keynote of Artists

The philosophy of the girls Art Department is keynoted by the statement that "Everyone should use head, heart, and hands to make well things that need to be made."

Service to God, fellow creatures, and self, motivates all activity, with an emphasis on womanhood and the arts of Christian family life. Fundamental traditional techniques in drawing, painting, and crafts are supplemented by the functional contemporary approach wherever needed.

As the boys are a branch of the Catholic Art Apostolate, so also are the girls, who joined them in 1952.

# Mysteries of Nature

Nothing is more interesting than life itself, and biology, the study of living things — plants, animals, and man — proves this theory.

In biology, the student is offered an opportunity to learn more about the growth and development of life — in the sea, in the sky, and on the earth. This knowledge enables him to appreciate the vast sovereignty of God; which is most manifest in His creature, man, the head of the universe. A deep and thorough understanding of this subject will leave no doubt as to the existence and omnipotence of God.

Leading the **Biology Club** in its activities are: Paul Kwiatkowski, president, Mary Lou Modrowski, vice-president, Barbara Hodgson, secretary, Ronald Plenzler, treasurer.

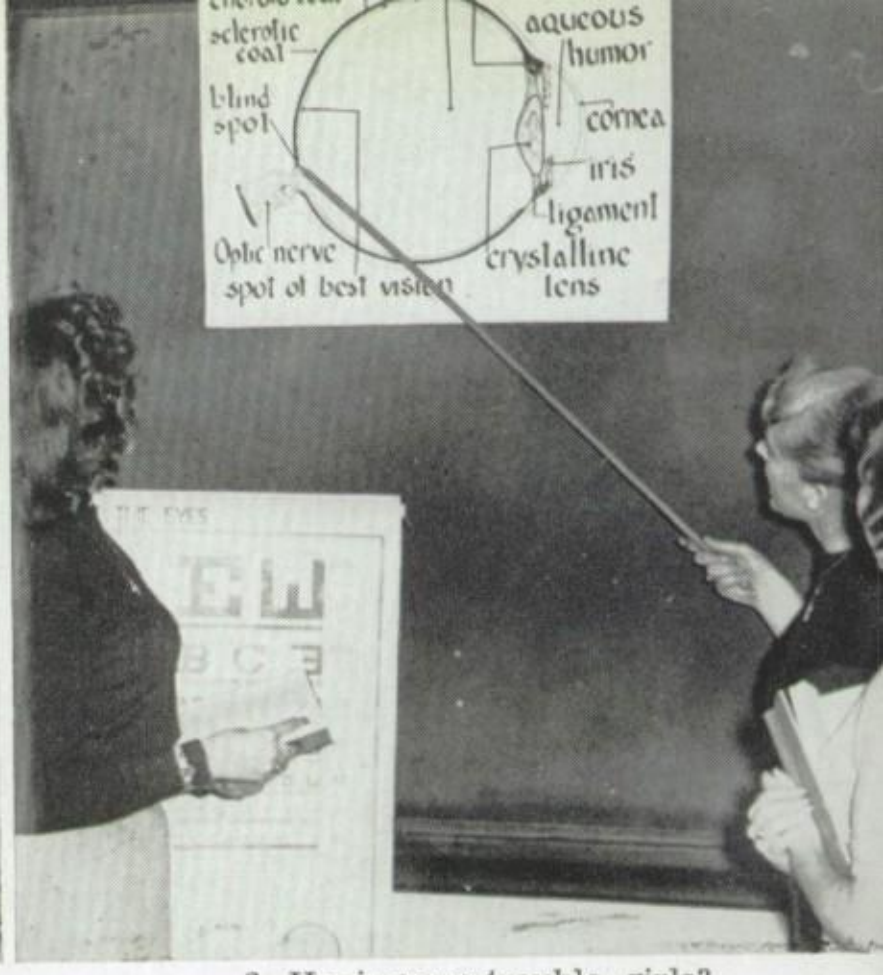
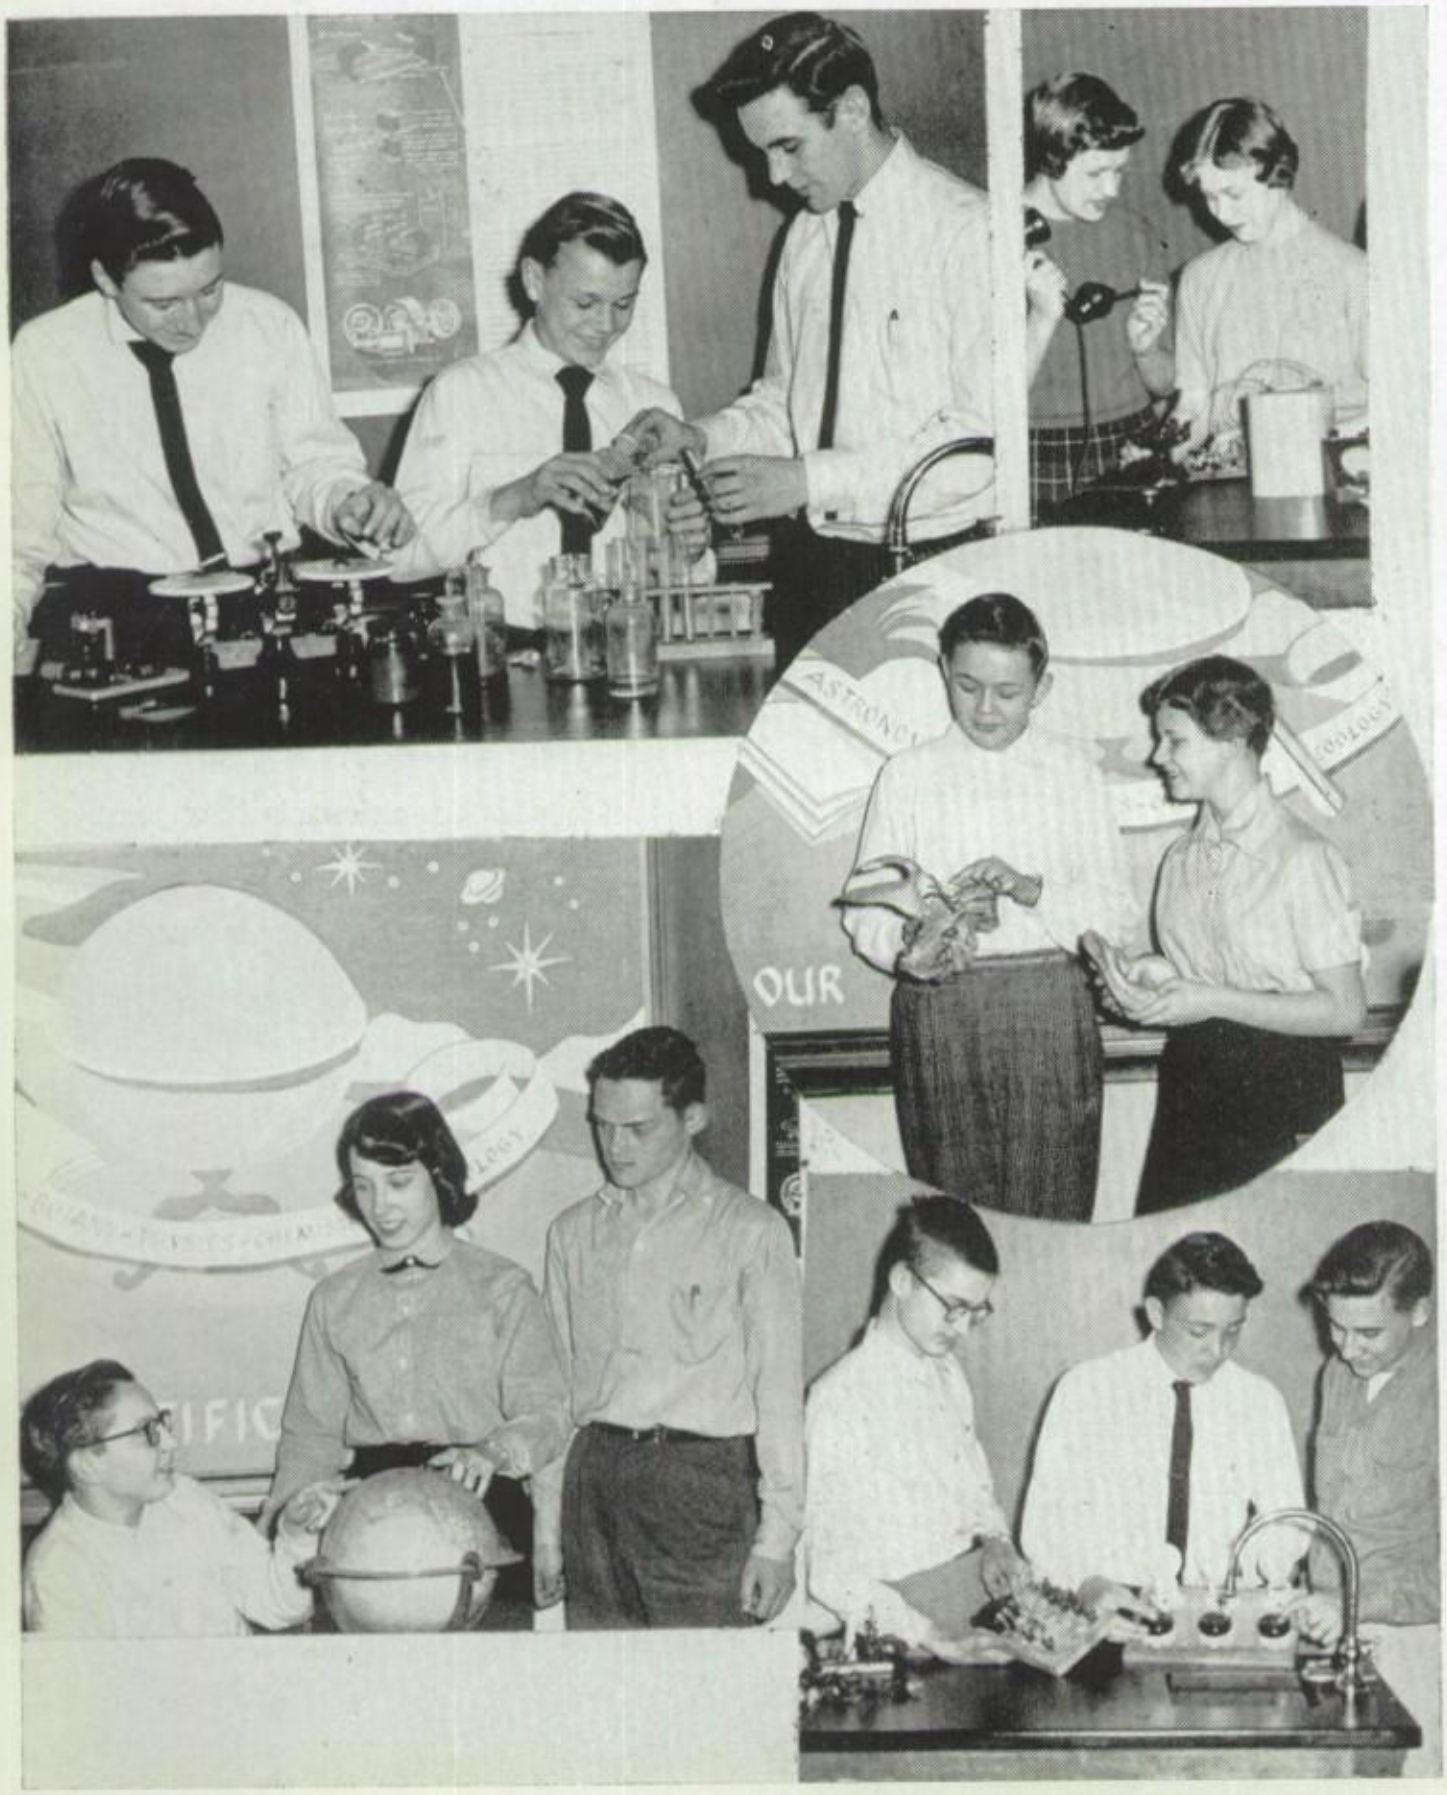
6. That's my favorite specimen!
7. If only we could see the colors.

1. Dr. Rosalie Gates, liver specialist, lectures.



2. Having eye trouble, girls?



## Functions of the Body

In Physiology, the study of the functions of the body, the students approach the living organisms in a particular way. Besides discussing the cells of the body and observing the living heart the structure of the body is also perused. Teaching the students how to enjoy life is another phase of Physiology.

## Interest in the World

Stimulating interest in the world around us is the fundamental aim of General Science.

Familiarizing the student with nature, and providing him with a sound preparation for the more specialized studies of chemistry, physics, and biology, is one of the initial steps of General Science.

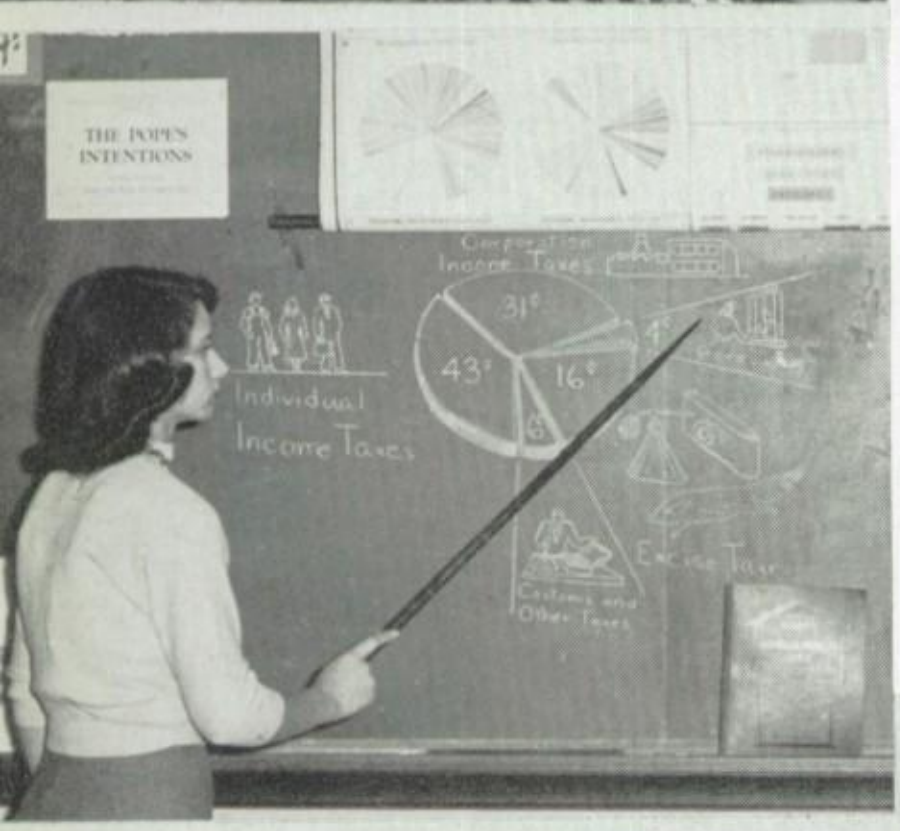
# Highlights of Homemaking

Through the Home Economics department future homemakers have the opportunity to learn all the essentials for maintaining a good, happy, and wholesome home.

Not only do the girls learn the fundamentals of food, nutrition, clothing and related subjects, but they also acquire a thorough knowledge of the essentials of child care, the importance of a family budget, along with pointers for good grooming and home decorating. All these present a useful highlight in the making of a future homemaker.



# Opportunities of Business

In order to prepare the student for the business world which may await him following graduation, the Commercial Department is maintained at Central. Above and beyond the fundamentals of business, a well-rounded course is offered.

**Typing,** a two-year course involves knowledge of typewriter, keyboard and forms for setting up letters, essays, and office material. Accuracy is stressed first, and speed second.

**Shorthand** tests the success or failure of each future secretary. The importance of accurate notes and fundamentals are taught the first year while tying is combined with it the second year to show its relationship in the office.

# Court Activities

**Commercial law** acquaints the student with both the legal and social aspects of laws. Each student is given an opportunity to participate in actual "court sessions" held in the class. These are inaugurated to stimulate interest in the laws and their application to personal, social, and business life, which they will make use of in future years!

To acquaint the student with the problems of local, state and national welfare, **Commercial Geography** is offered in Central's curriculum. It is designed to give the economic and social condition of the various continents and countries. Geography touches on the locations of industry, and the exports and imports of the primary countries of the world.

Juniors and seniors have an opportunity to learn the basis of accounting in **Bookkeeping,** which is very important to every business.

**Office Practice** enables the student to learn how to manipulate office machines such as the dictaphone, adding machine, addressograph, and multigraph which he will probably meet later in an office.

2. That better not be a test!

3. You're not supposed to erase.

# Wisdom's Workshop

Like a giant brain whose cells record "all that mankind has done, gained or thought," the Library of Central Catholic High School is a workshop where students and faculty may gather knowledge and wisdom.

Through the English classes and under special direction and guidance, the students receive special instructions about the many devices that make it easier to locate the book of his choice.

Besides the Bible, biographies, fiction classics, and the many more enlightening books that are in the library; four prominent newspapers may also be noted: The Catholic Chronicle, The Toledo Blade, The Register, and Our Sunday Visitor.

In co-ordination with the activities of the library, the Library Club, whose members' duties are to keep attendance in order, is maintained.

# Healing Headquarters

Anyone suffering an illness from a minor headache to a painful toothache, has undoubtedly been through the doorway which leads to the Centralites "Healing Headquarters" —the nurse's room.

Under the supervision of Central's nurse the Future Nurses of America Club, a national high school organization, was inaugurated at Central in 1953. Students interested in learning the duties required of a nurse are encouraged to become a member of the club.

1. He doesn't look sick to us!

2. Sr. Anita proves "crime does not pay."

# Curbing of Offenders

Keeping an accurate record of all absenteeism and tardiness is the work of the attendance department. By issuing pink, blue, and white slips to offenders and legits, this department curbs unnecessary irregularities. This department also checks penalty-attendance slips to verify the serving of penalties.

# Charms of Music

To instill within the student an intelligent understanding of music and provide him with a technical knowledge of harmony, is the purpose of the Music Appreciation and Harmony classes at Central.

By listening to various types of music, from the grand opera and symphony to popular recordings, the students are taught to appreciate the cultural aspects of music.

Students of harmony are enabled to recognize and enjoy the harmonic beauties of music by writing their own compositions and studying music's finer points.

1. Dan Lewandowski composes at the blackboard. 2. "B flat sounds just right here." 3. Sophomore Chorus just before class. 4. Freshman Chorus poses for pic. 5. Underclass organist plays for holy hours. 6. You're not studying very hard Rosie! 7. Gerry Hiltman, chapel organist, plays during holy hour.

**Silvia Silva meets Donna Kaczmarek**

## A New Centralite

During the school year Central welcomed Silvia Silva from Bayamon, Puerto Rico, to its student body. The fact that many of the subjects listed on Central's curriculum were the same as those at Augustan Stahl High enabled Silvia to adjust easily to her new surroundings.

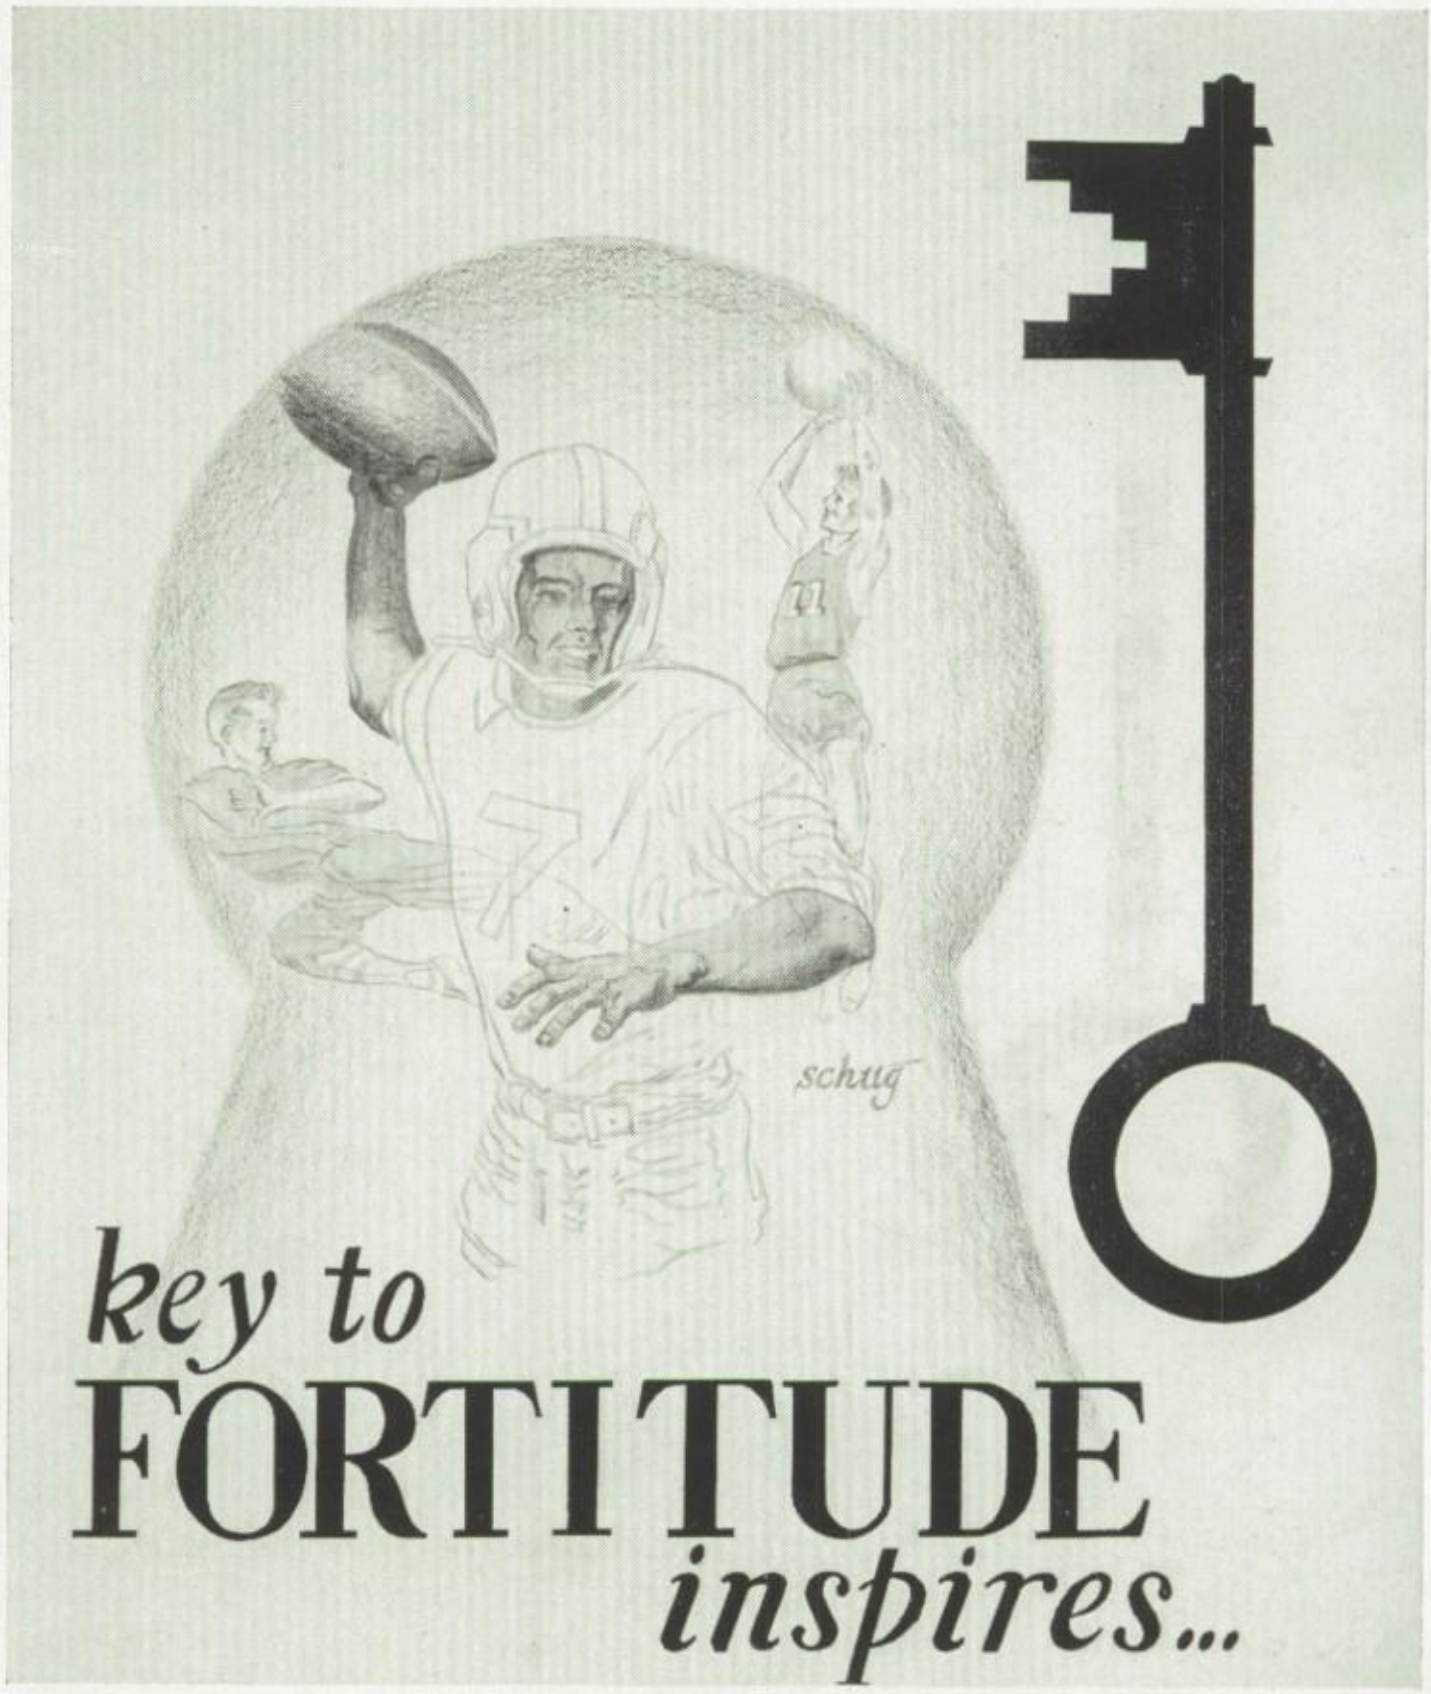
# Vocational Program in Action

Monsignor Harrington, Father Pevec and Father Martin discuss vocational work.

At the request of the Most Reverend Bishop a diocesan vocational guidance program was inaugurated in the Toledo See. Every Catholic high school was assigned a director and the Reverend William Martin, a former faculty member, was assigned to Central. During the year, at the request of Monsignor Harrington and Father Martin, the Reverend Edward Pevec, a professor at Borromeo Minor Seminary, Wickliffe, Ohio, spoke to the student body at the religious vocation assembly October 13.

# ATHLETICS



Mr. Fred George
Athletic Director
Head Football Coach

Mr. Dan Piloseno
Asst. Football Coach

# Mr. Fred George

Mr. Fred George came to Central as athletic director and head football coach after resigning as head basketball coach at John Carroll University. A native of Lima, Mr. George competed in athletics at St. Rose High.

Upon graduation from St. Rose, Mr. George attended Dayton University where he played football for the Flyers and received his degree in 1939. As a coach, Mr. George established outstanding records at Norwalk St. Paul, Lima St. Rose, and Cleveland St. Ignatius.

Besides infusing a vigorous spirit in the football team and in the student body, Mr. George is also credited with inaugurating the Teapot Tournament — a basketball competition between the boys' conference rooms. Its purpose is to develop new basketball material, provide intramural competition, and raise funds for spring sports.

# Mr. Dan Piloseno

After coaching Steubenville Central Catholic from 1951-1954 and compiling a record of 15-12-3 against such high-school powers as Hamilton Catholic, Mansfield, Alliance, and Youngstown, Mr. Piloseno left Steubenville to accept a position as line coach here at Central, where he has successfully accomplished the job of rebuilding the varsity line. Besides coaching the frosh basketball team to runner-up spot in the city league, he coaches the baseball team.

Graduating from North Carolina State in 1938, Mr. Piloseno signed a pro contract with the Willmington Clippers as a player-coach. He began his career as a head coach in 1940 at Bellaire Saint John. In the next eleven years he coached at Cleveland Heights, Powhatten, University of Dayton, and the University of Boston.

# Gridders to Impressive Victories

The 1954 edition of the varsity football team found itself under the direction of a new head coach in the person of Mr. Fred George, who succeeded Mr. Patrick McCarty. The "Fighting Irish" responded to their new coach by concluding a successful season with victories over Macomber, Rochester Aquinas, Woodward, and Scott.

Of the five games the Irish eleven lost, four were decided in the final quarter and could have gone either way. Although not a champion in the standings the team was a champion in spirit, co-operation, and sportsmanship.

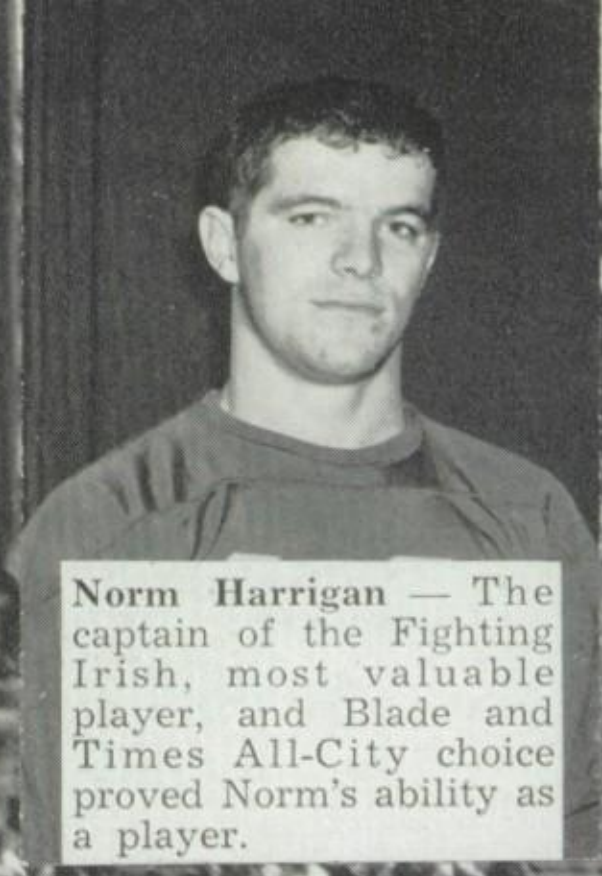
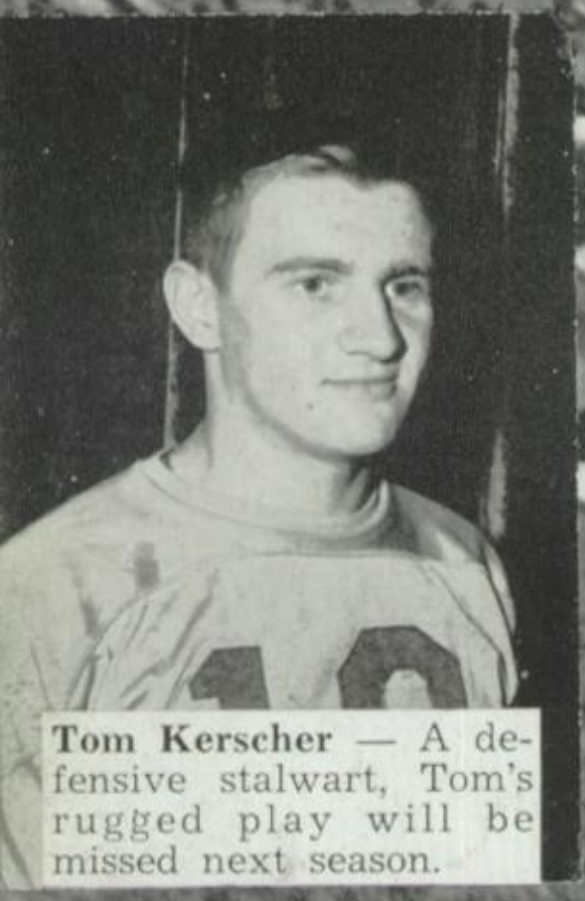
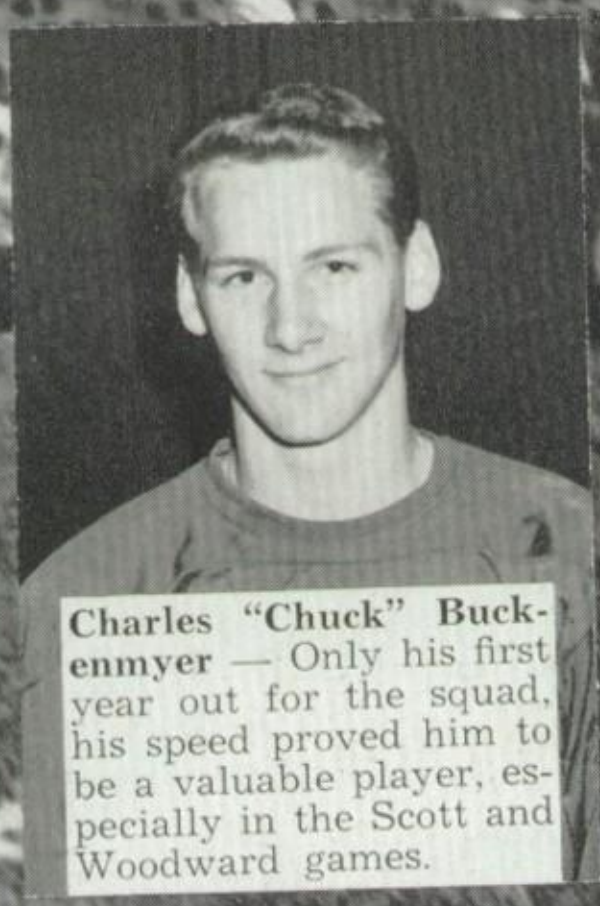
**Matt Heintschel** — Matt, one of the East-side's contributions to Central's Fighting Irish, was a hard-charging lineman and won two letters.



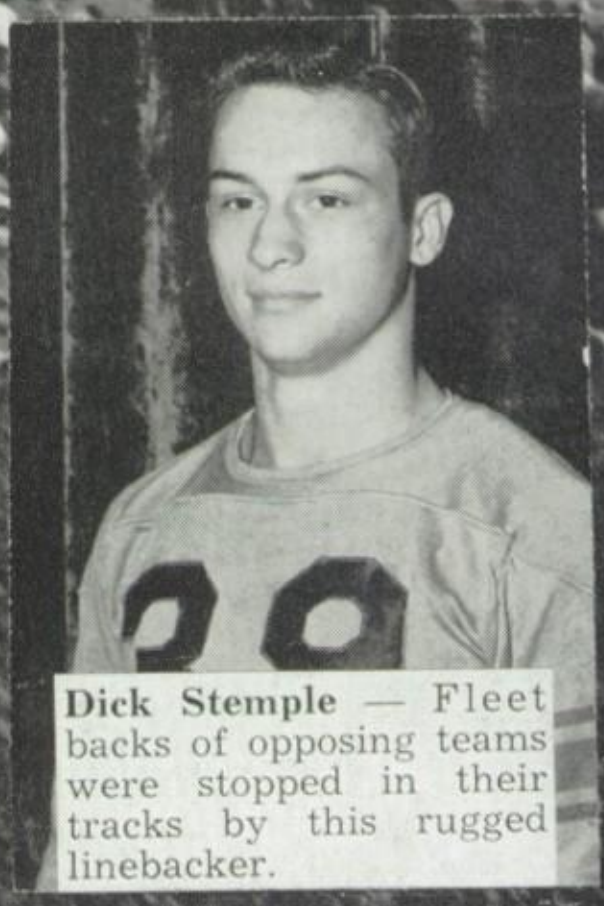
**Norm Harrigan** — The captain of the Fighting Irish, most valuable player, and Blade and Times All-City choice proved Norm's ability as a player.



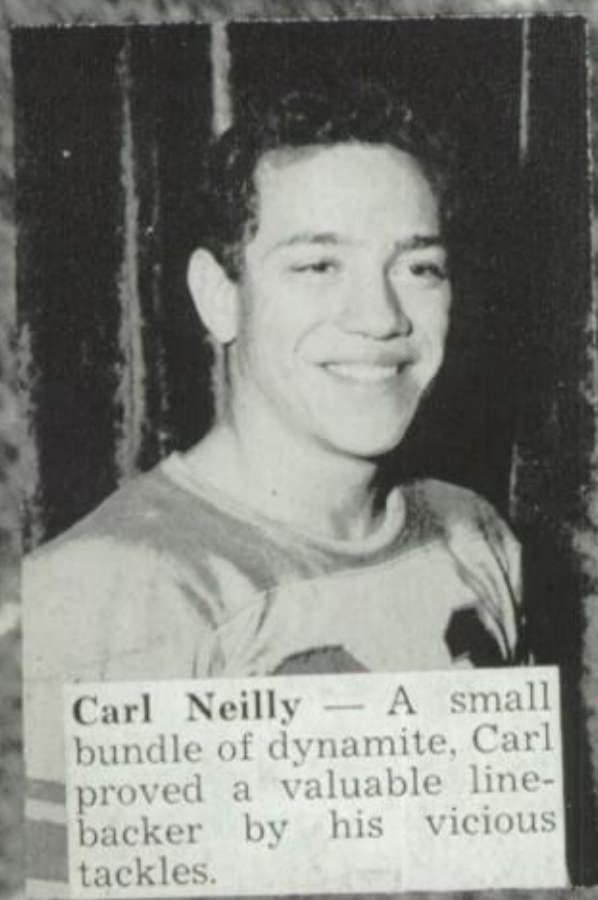
**Tom Kerscher** — A defensive stalwart, Tom's rugged play will be missed next season.



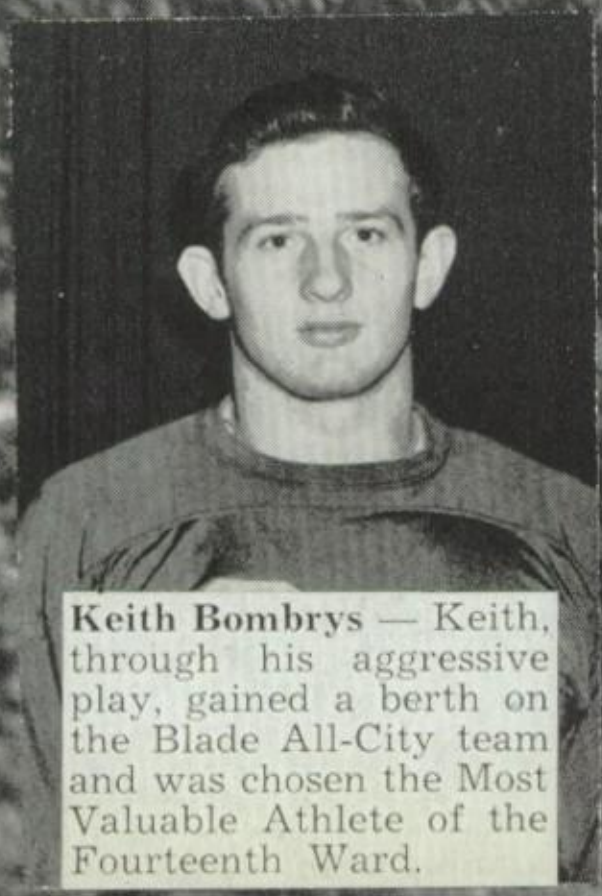
**Charles "Chuck" Buckenmyer** — Only his first year out for the squad, his speed proved him to be a valuable player, especially in the Scott and Woodward games.



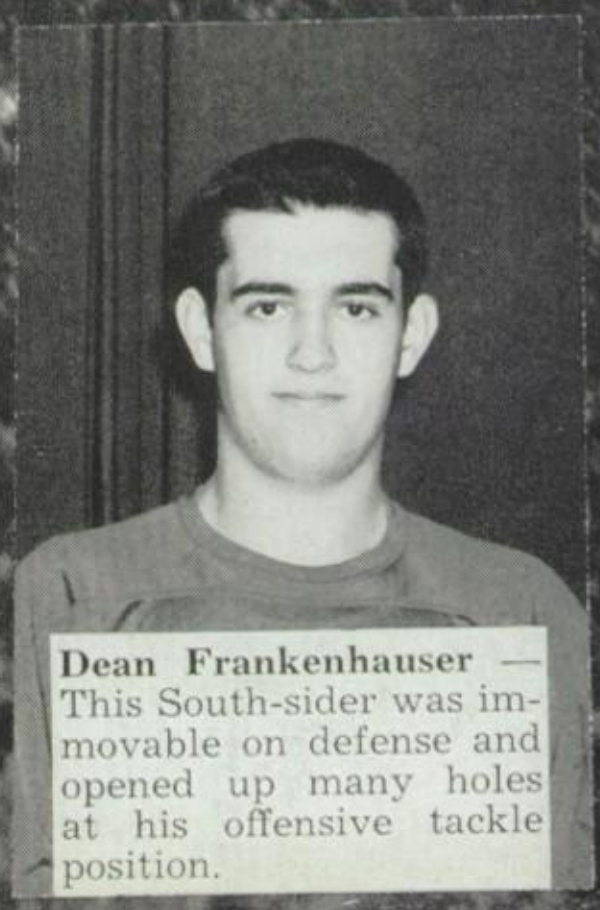
**Dick Stemple** — Fleet backs of opposing teams were stopped in their tracks by this rugged linebacker.



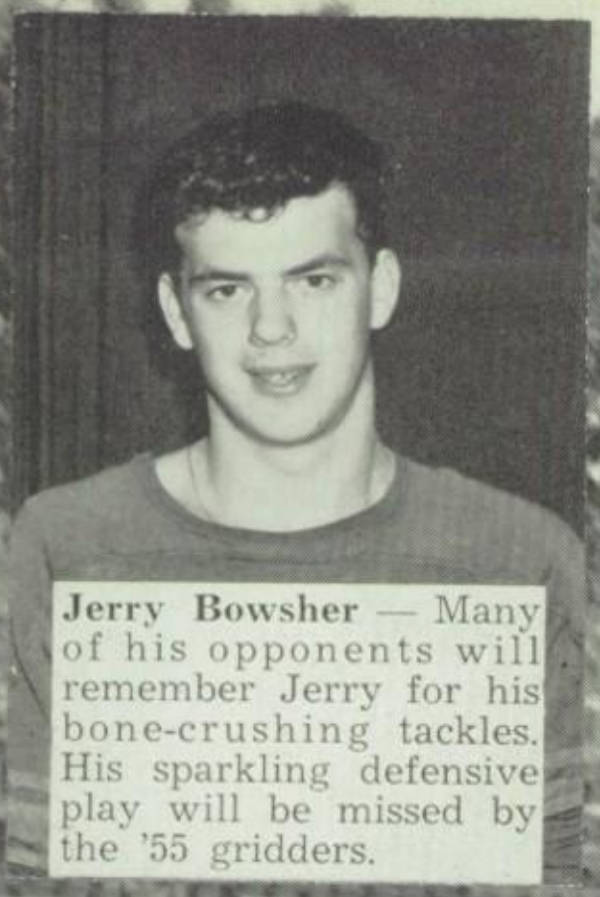
**Carl Neilly** — A small bundle of dynamite, Carl proved a valuable linebacker by his vicious tackles.



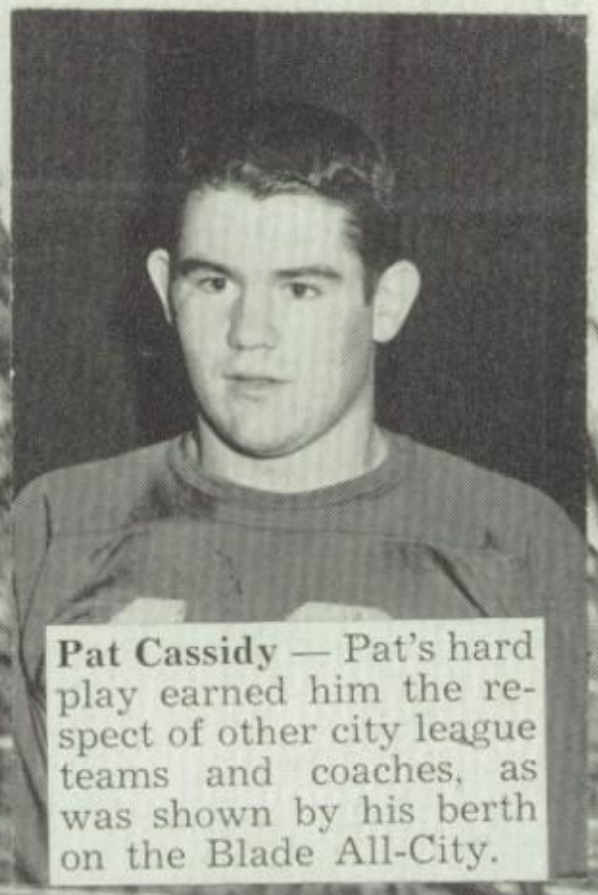
**Keith Bombrys** — Keith, through his aggressive play, gained a berth on the Blade All-City team and was chosen the Most Valuable Athlete of the Fourteenth Ward.



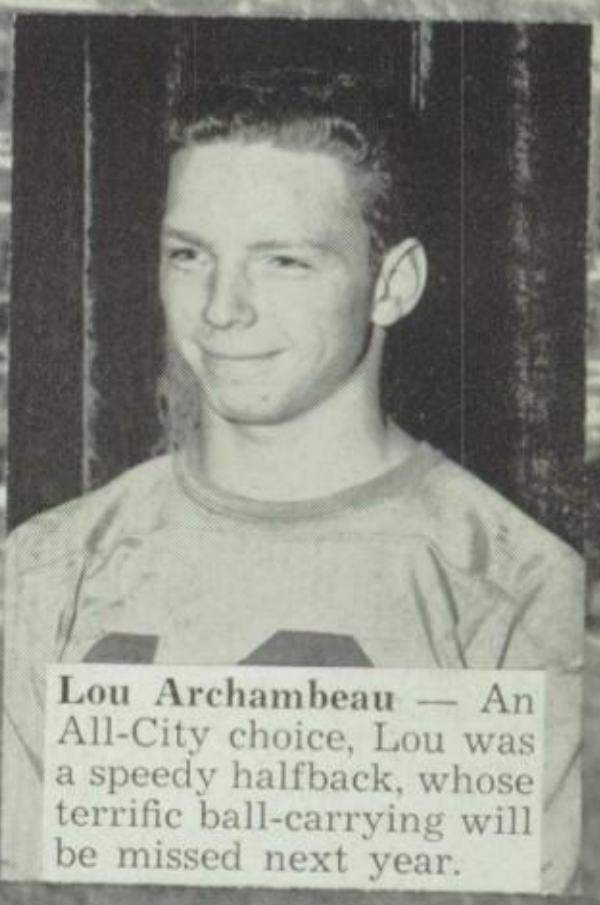
**Dean Frankenhauser** — This South-sider was immovable on defense and opened up many holes at his offensive tackle position.



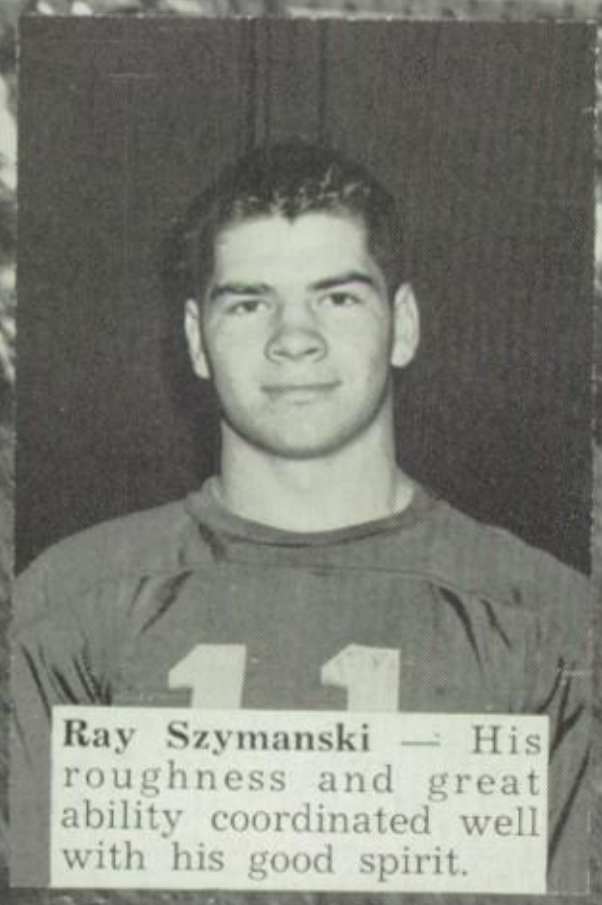
**Jerry Bowsher** — Many of his opponents will remember Jerry for his bone-crushing tackles. His sparkling defensive play will be missed by the '55 gridders.



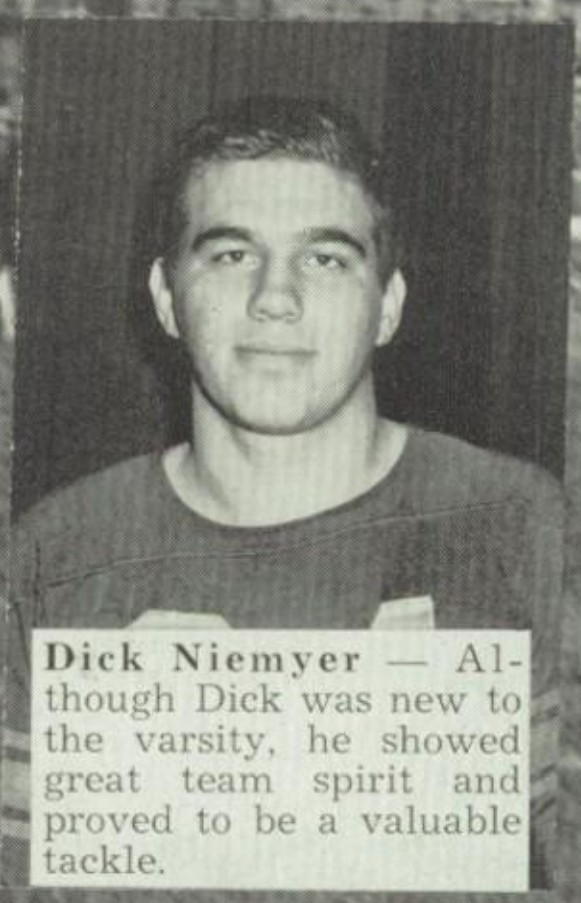
**Pat Cassidy** — Pat's hard play earned him the respect of other city league teams and coaches, as was shown by his berth on the Blade All-City.



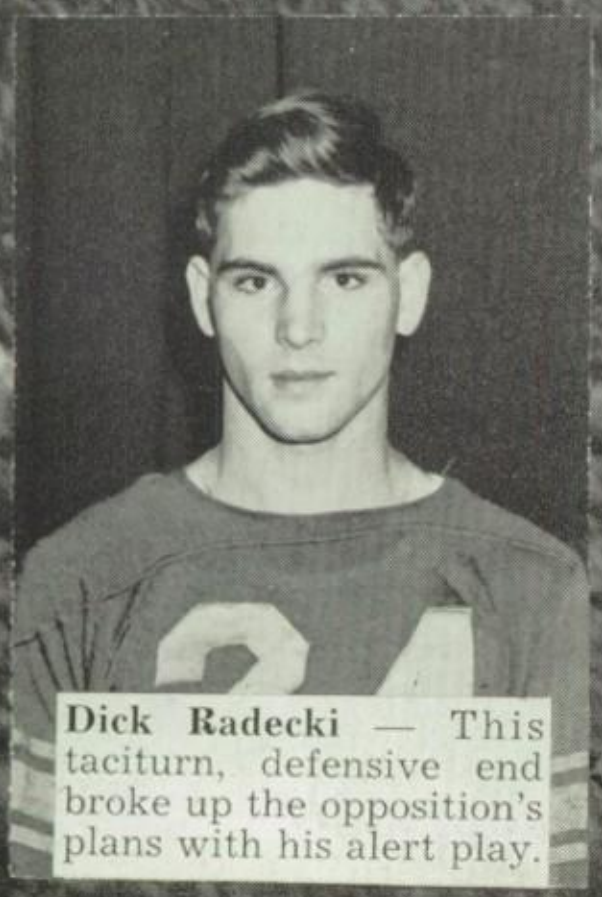
**Lou Archambeau** — An All-City choice, Lou was a speedy halfback, whose terrific ball-carrying will be missed next year.



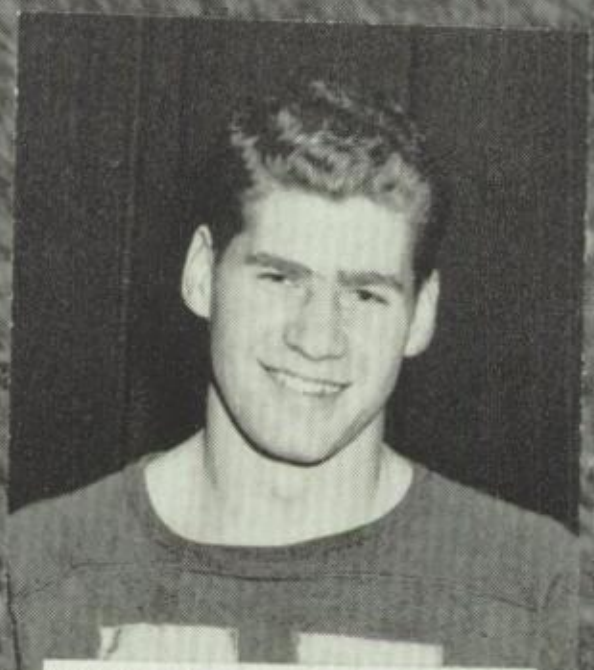
**Ray Szymanski** — His roughness and great ability coordinated well with his good spirit.



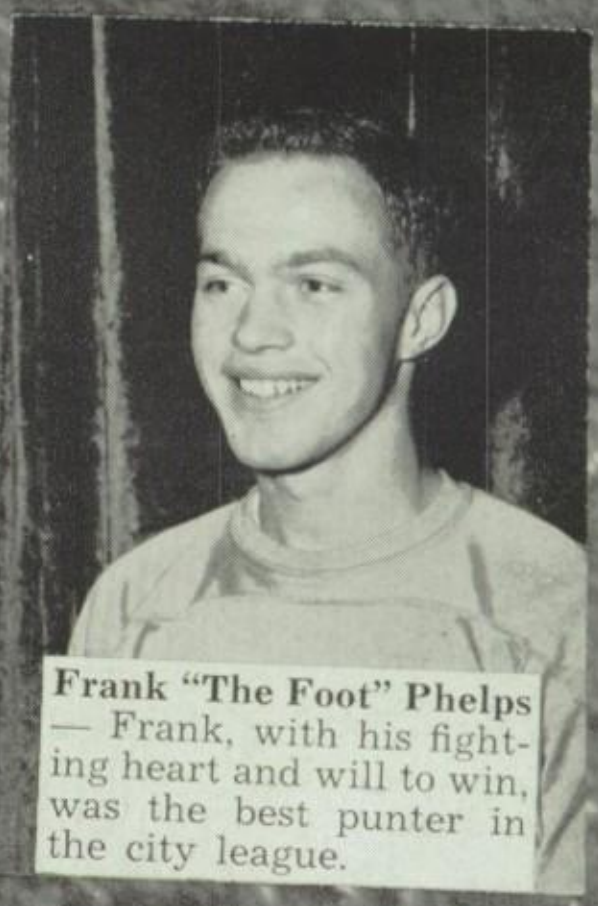
**Dick Niemyer** — Although Dick was new to the varsity, he showed great team spirit and proved to be a valuable tackle.



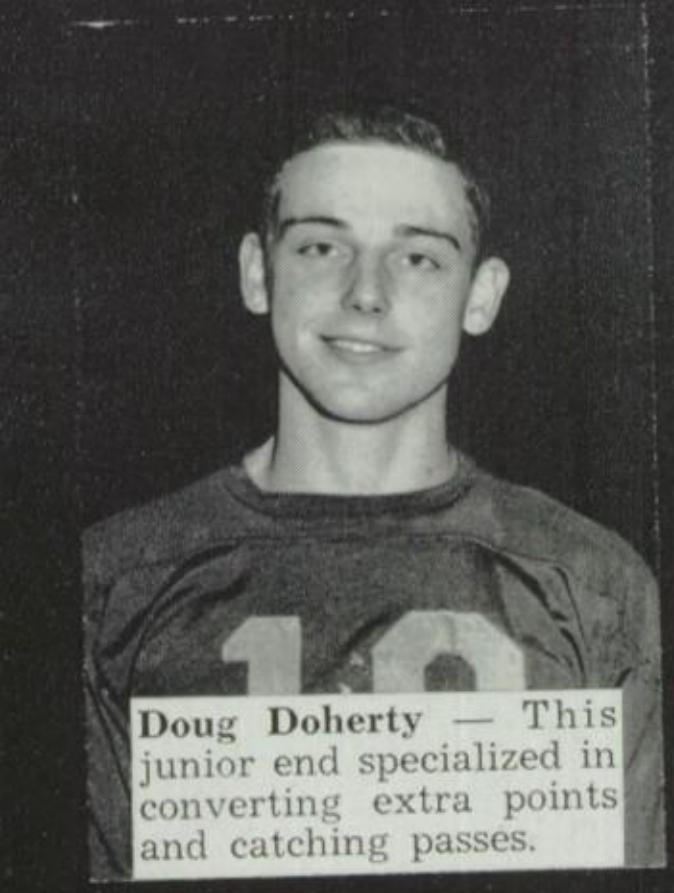
**Dick Radecki** — This taciturn, defensive end broke up the opposition's plans with his alert play.



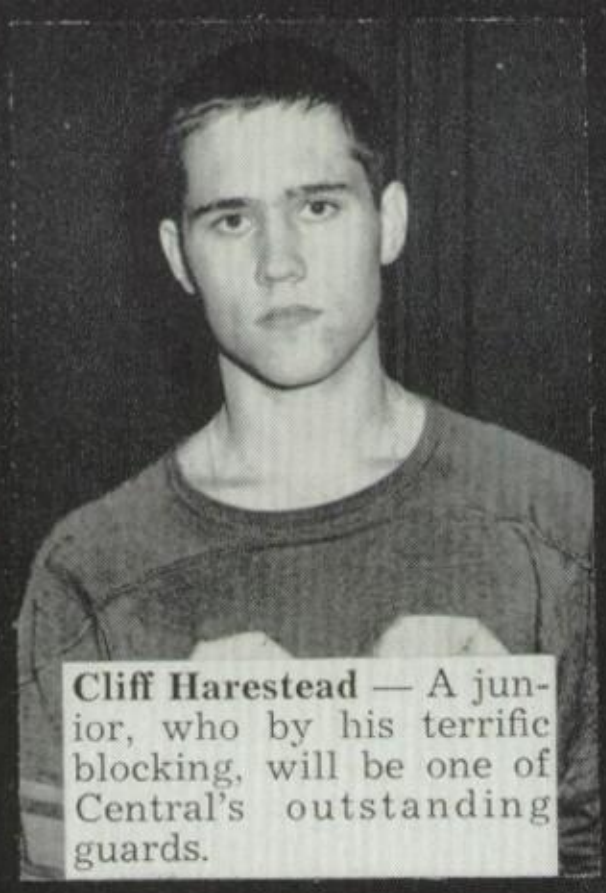
**Dick Sur** — A speedy end from Cathedral, Dick always showed the spirit necessary for a winning team.



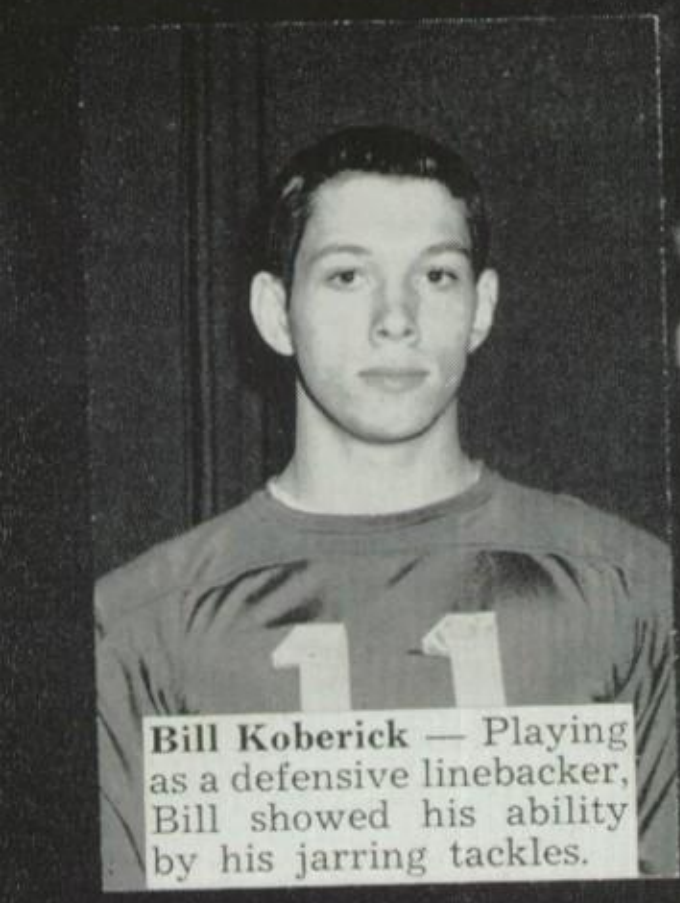
**Frank "The Foot" Phelps** — Frank, with his fighting heart and will to win, was the best punter in the city league.



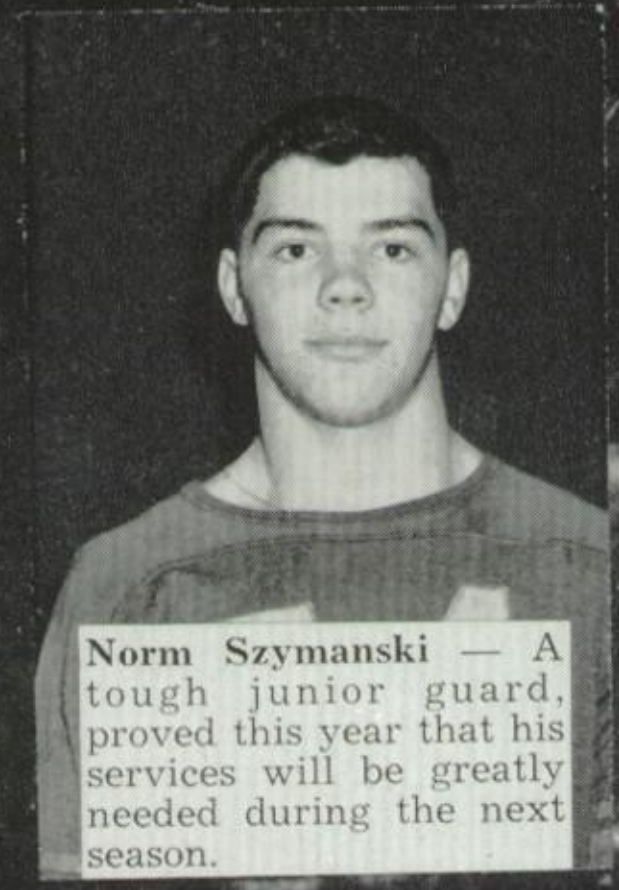
**Doug Doherty** — This junior end specialized in converting extra points and catching passes.



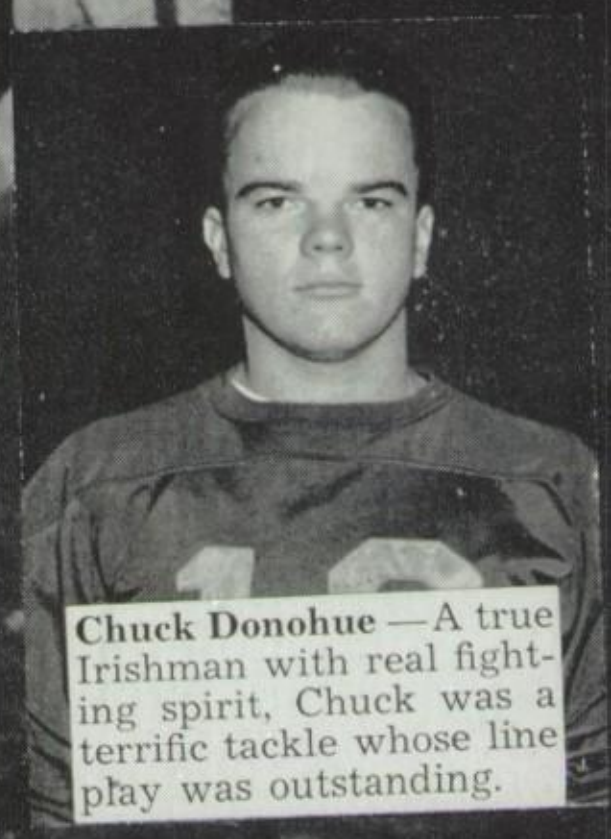
**Cliff Harestead** — A junior, who by his terrific blocking, will be one of Central's outstanding guards.



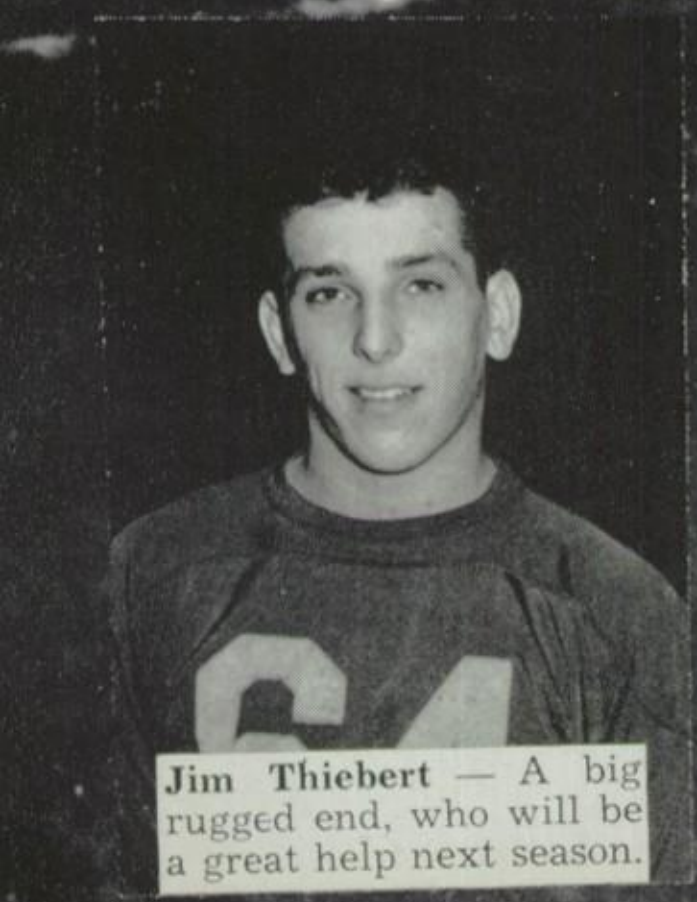
**Bill Koberick** — Playing as a defensive linebacker, Bill showed his ability by his jarring tackles.



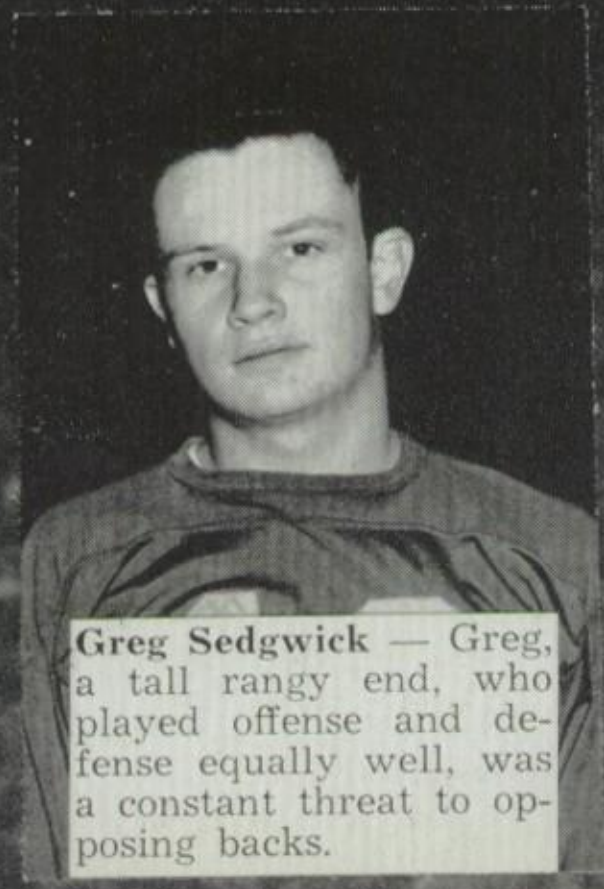
**Norm Szymanski** — A tough junior guard, proved this year that his services will be greatly needed during the next season.



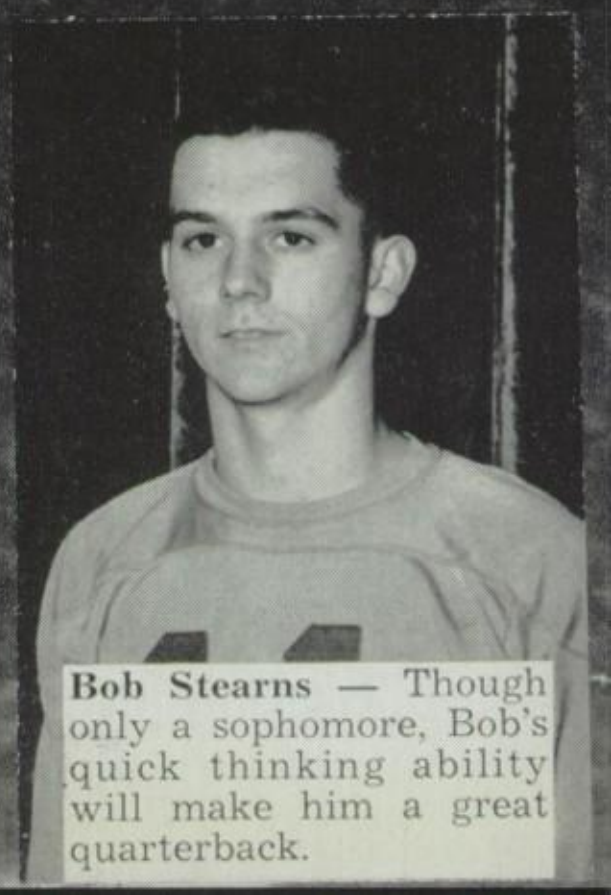
**Chuck Donohue** —A true Irishman with real fighting spirit, Chuck was a terrific tackle whose line play was outstanding.



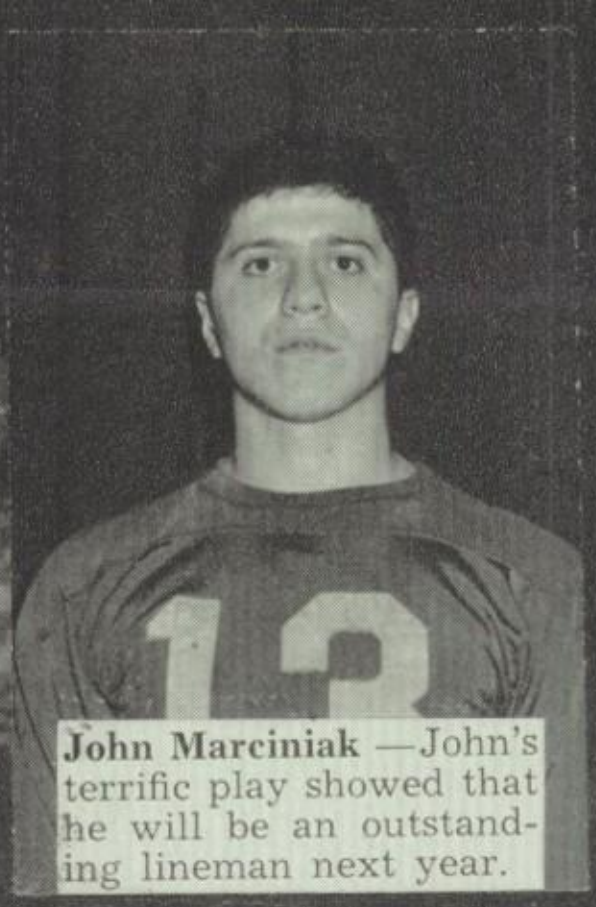
**Jim Thiebert** — A big rugged end, who will be a great help next season.



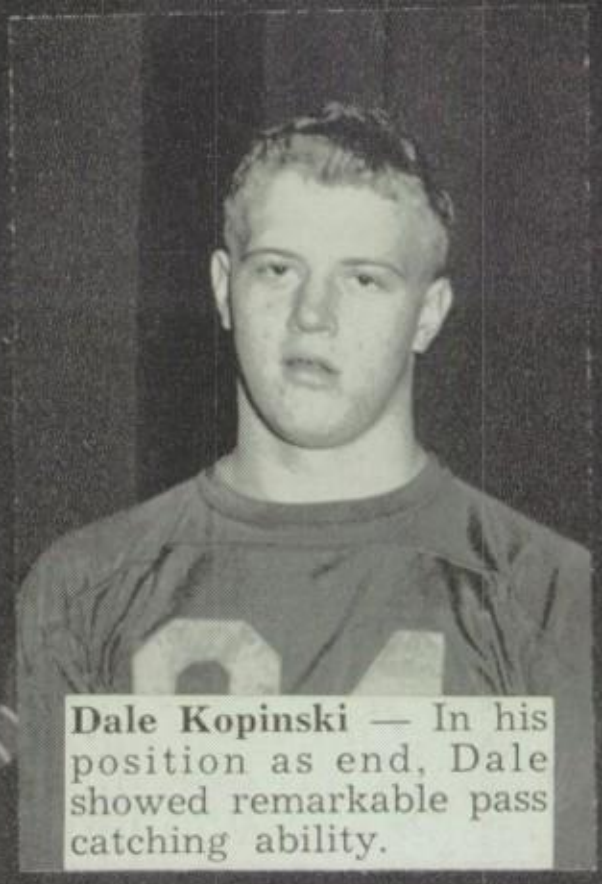
**Greg Sedgwick** — Greg, a tall rangy end, who played offense and defense equally well, was a constant threat to opposing backs.



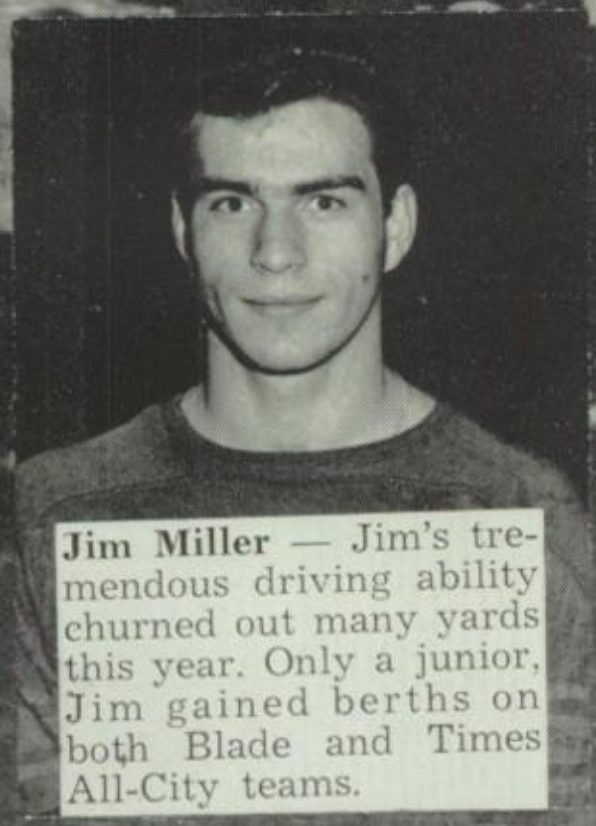
**Bob Stearns** — Though only a sophomore, Bob's quick thinking ability will make him a great quarterback.



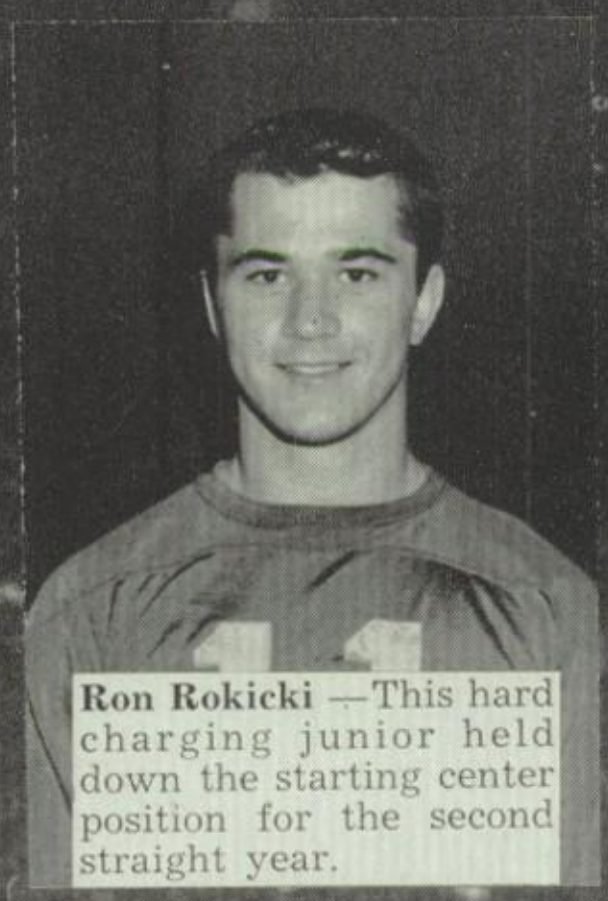
**John Marciniak** —John's terrific play showed that he will be an outstanding lineman next year.



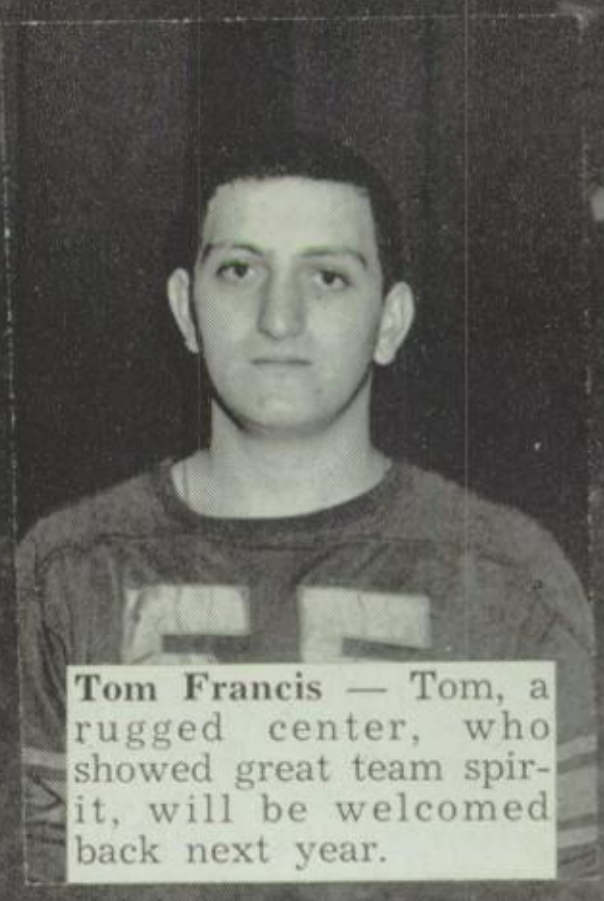
**Dale Kopinski** — In his position as end, Dale showed remarkable pass catching ability.



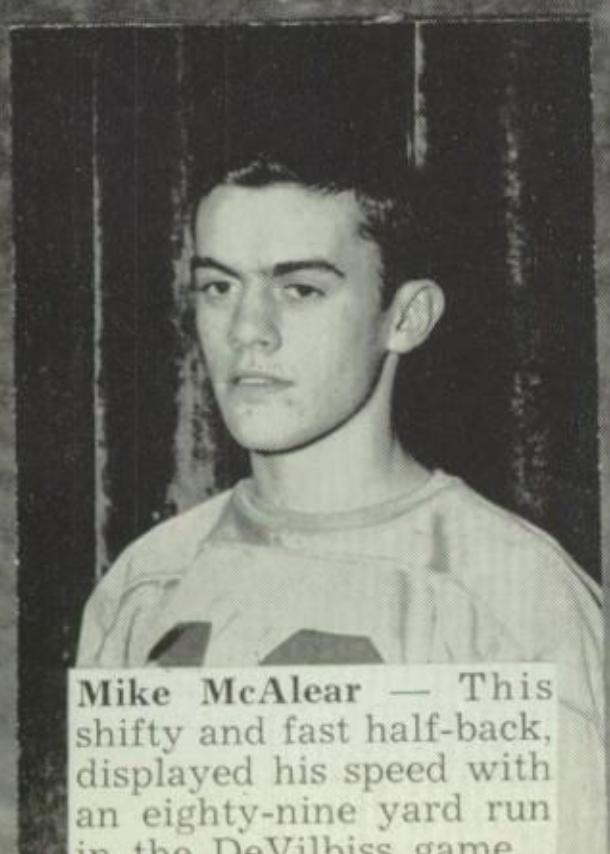
**Jim Miller** — Jim's tremendous driving ability churned out many yards this year. Only a junior, Jim gained berths on both Blade and Times All-City teams.



**Ron Rokicki** —This hard charging junior held down the starting center position for the second straight year.

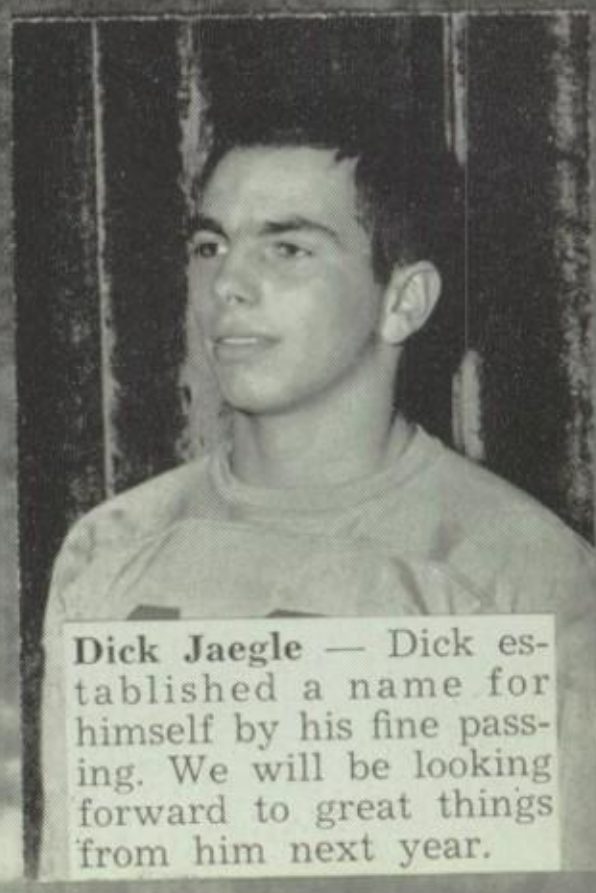


**Tom Francis** — Tom, a rugged center, who showed great team spirit, will be welcomed back next year.



**Mike McAlear** — This shifty and fast half-back, displayed his speed with an eighty-nine yard run in the DeVilbiss game.

**George Makovic** — As a junior end, George saw quite a bit of action towards the end of the season.



**Dick Jaegle** — Dick established a name for himself by his fine passing. We will be looking forward to great things from him next year.

# Sophs Even Record

During his tenure at Central, Mr. Dan Modak coached lightweight football and basketball, and varsity baseball. Mr. Modak's lightweight football team compiled a 3-3 record this year, with the losses being decided in the final seconds of the games.

Mr. Dan Modak

In compiling their victories, the "Rum-Dums," so called by coach Modak, showed co-operation and determination. The 1955 and 1956 varsitys will be strengthened by the addition of several of these fine players.

Under Mr. Modak's coaching, the lightweight basketball team jumped off to a rapid start and finished in second place, while the 1954 baseball team tied for the city title.

Mr. Modak concluded his coaching tenure at Central in January to accept the head coaching position at Hubbard High School, Hubbard, Ohio.

# "Baby Irish" to Five Wins

After serving as varsity backfield coach for several years, Mr. Larry Bondy took over the reins of the freshman football team and guided them to five wins in six games. The frosh copped impressive wins over Libbey (20-0), Waite (7-0), Scott (20-0), Woodward (24-0), and DeVilbiss (33-6). As the team's record indicates, the freshmen are destined to capture many championships. Coach Bondy stated at the close of the season that "this freshman team is the biggest and best ever to enter Central."

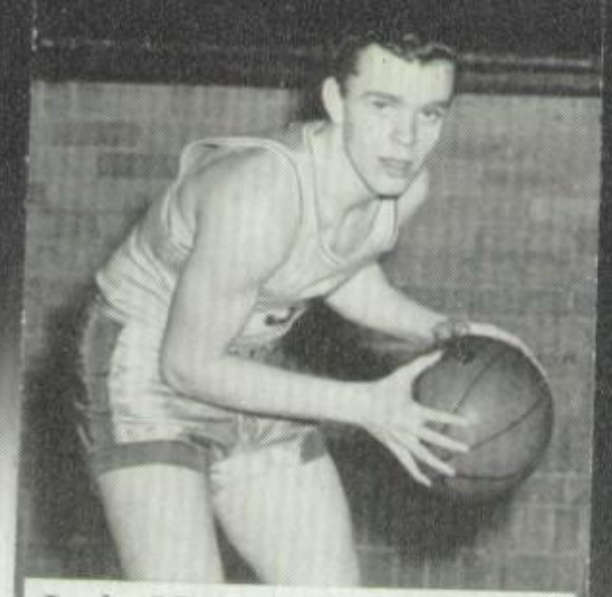
Row four: A. Gendaszek, B. Manion, T. Ankowiak, B. Wulf, J. Yambor, J. Emerson, J. Beaber, F. Justen

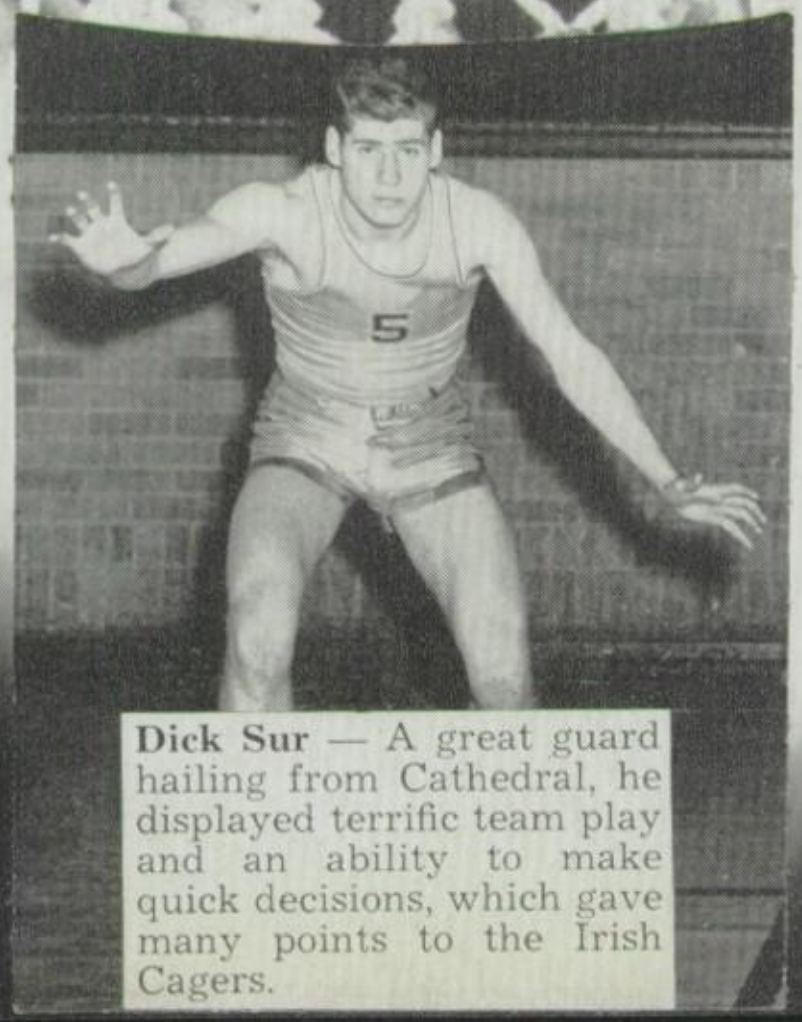
**Greg Sedgwick** — Greg's team spirit and will to win make him a key figure on next year's varsity.



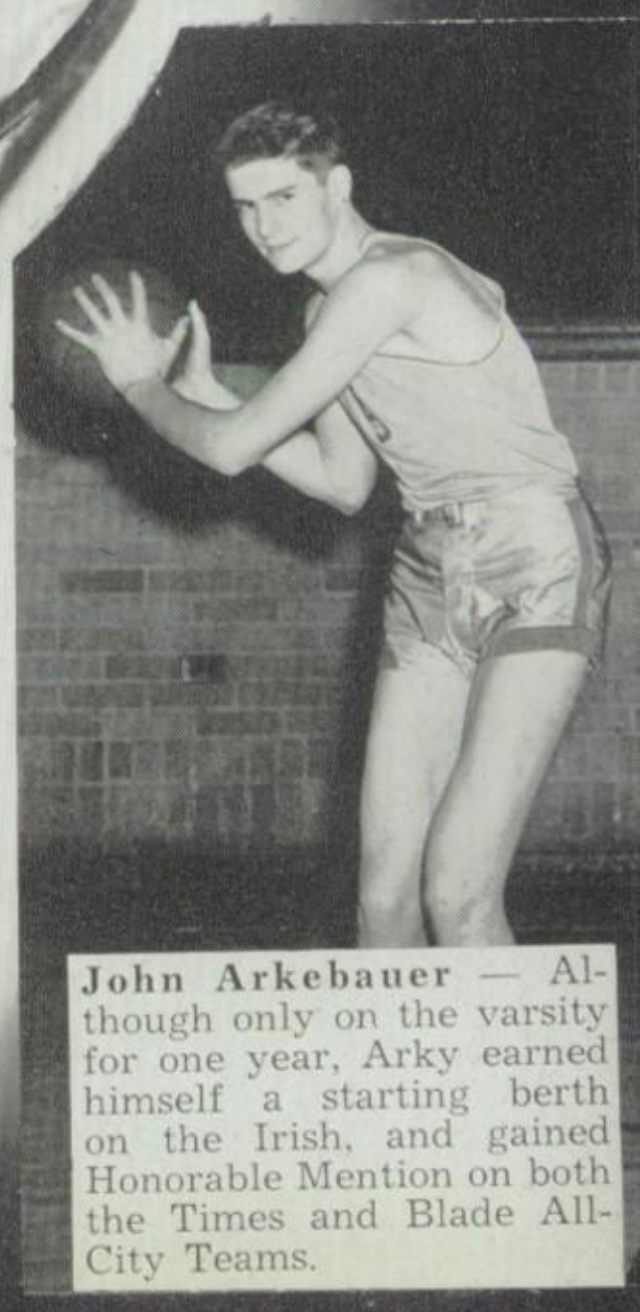
**Jack Mattimore** — In his first year playing for Central, Jack was adept on long shots as well as sneaking in for lay-ups. Largely because of Jack and his 18 points, Central beat Libbey in the first game.

**Bob Stutz**—This senior ce ter will always be remem bered for his hustle a fighting spirit. The Tim awarded Honorable Me tion to "Big Bob."

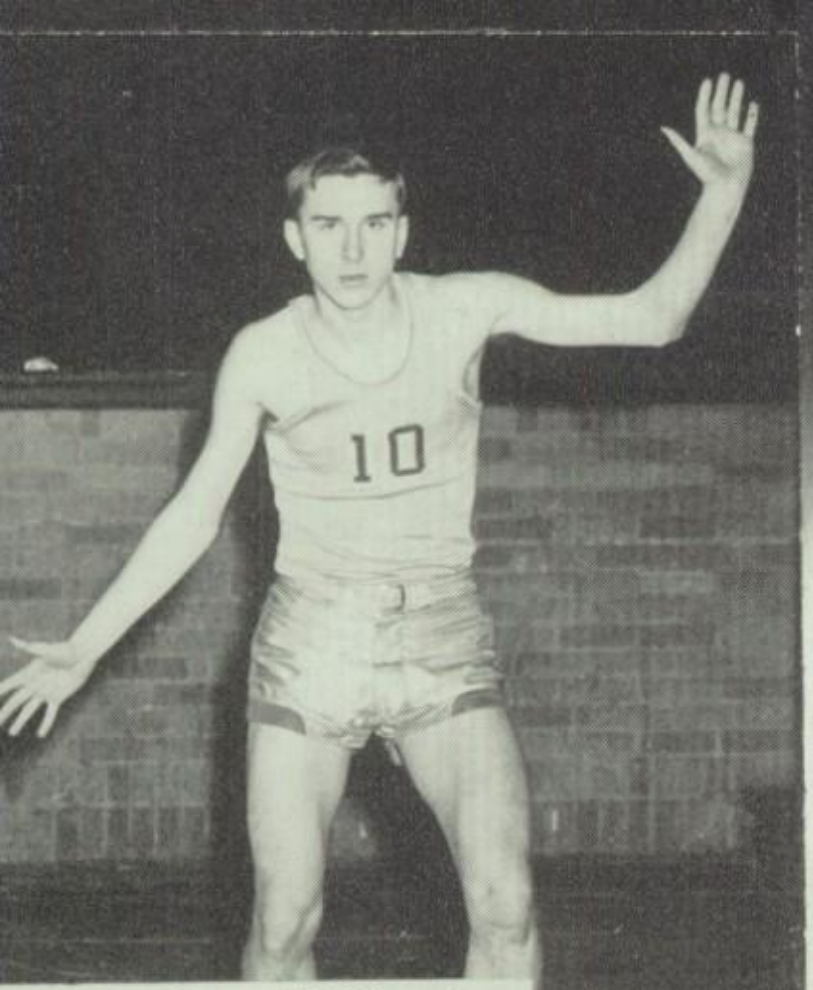
**Leo Talaska** — A 6' 3" senior, besides being a terrific rebound man, exhibited a deadly two-handed set-shot.



**Dick Sur** — A great guard hailing from Cathedral, he displayed terrific team play and an ability to make quick decisions, which gave many points to the Irish Cagers.

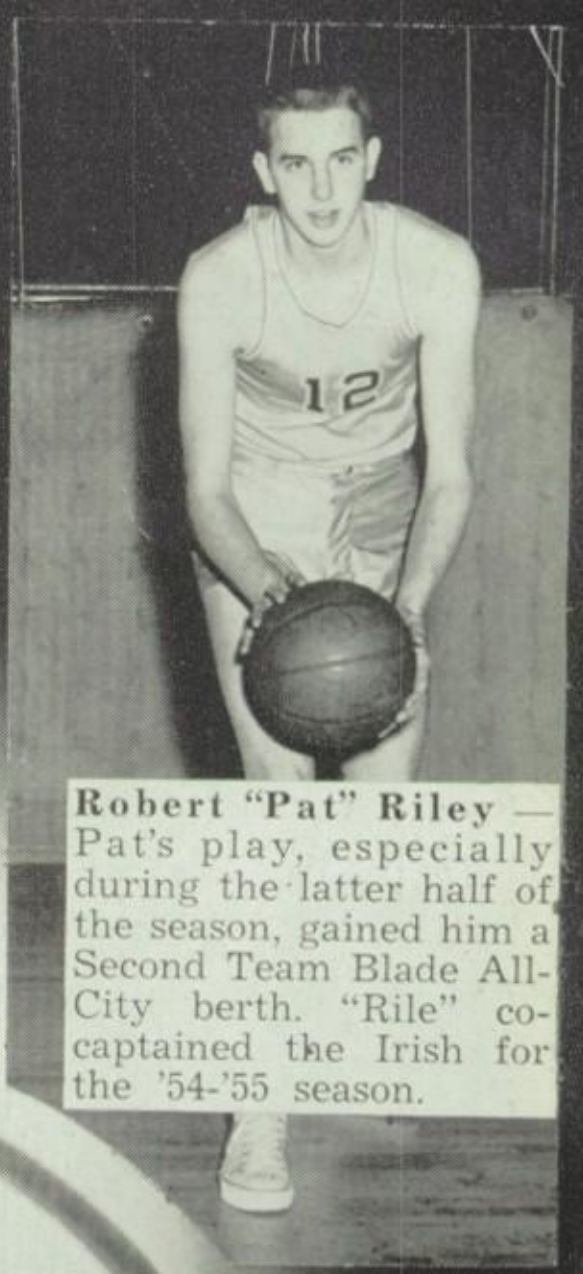


**John Arkebauer** — Although only on the varsity for one year, Arky earned himself a starting berth on the Irish, and gained Honorable Mention on both the Times and Blade All-City Teams.

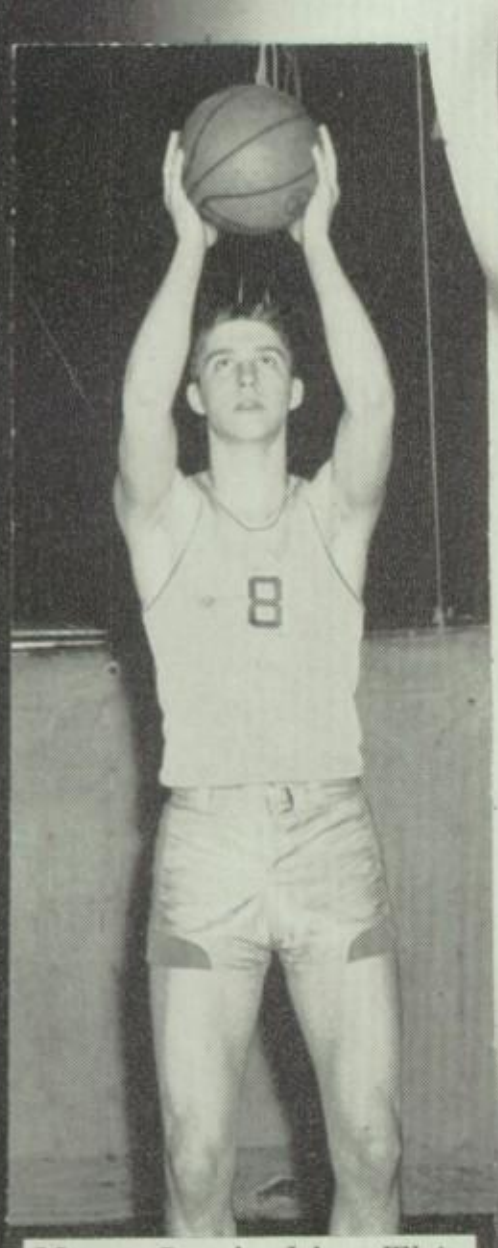


**Don Jurek** — "DJ," a junior, earned a spot on the Blade's All-City Second Team and compiled a 14 point average, enabling him to cop team scoring honors.

**Doug Doherty** — Although missing most of the season because of a knee injury, this 6 foot junior proved to all concerned that he will be a vital asset to next year's team.



**Robert "Pat" Riley** — Pat's play, especially during the latter half of the season, gained him a Second Team Blade All-City berth. "Rile" co-captained the Irish for the '54-'55 season.



**Norm Lopinski** —This 6' 4" junior center should make his presence felt next season. His height helped the Irish to pick off many rebounds.

**Don Beauch** — A 5' 9" junior was an important factor with his fine playmaking and dribbling. Don will certainly aid next year's squad.

**Tony Rejent** — Tony, a sophomore, began the season on the lightweights but, because of his ability, was moved up to the varsity. He will especially be remembered for his 12 clutch points in defeating Macomber.

# Celts Capture Second Place

The 1955 Central basketball team, coached by Mr. Larry Bondy, compiled a record of twelve wins and eight losses. Besides capturing second place in the city league with eight wins in twelve games, the Celts had the distinction of being the only city team to defeat the league champion Libbey Cowboys, who were ranked as high as sixth place in the state polls.

Mr. Bondy began the season with only three veterans, but as the season progressed these three players plus nine new athletes teamed to place Central in contention for the city title until late in the year. Don Jurek, a junior guard, earned Honorable Mention on the Times All-City Basketball Team and a spot on the Blade All-City Second Team, and was selected by his teammates as the Most Valuable Player of the 1954-1955 varsity. Senior forward, Pat Riley, gained a berth on the Blade Second All-City Team, and along with John Arkebauer and Bob Stutz, Honorable Mention on the Times' All-City.

As head basketball coach, Mr. Bondy has set a marvelous record at Central. Along with many championship teams he has produced, the Irish were regional runners-up in 1948; state runners-up in 1949; district runners-up in 1951; and state quarter finalists in 1952.

Row two: B. Huss, B. Veitch, R. Glick, M. Mercurio, M. Wiedeman

# Successful Season

Central's lightweight basketball team had a very successful season. They finished second in the city league with a 9-3 record.

The lightweights played under two coaches. The first was Mr. Dan Modak and after his departure Mr. Fred George took over and kept up the team's winning ways.

Showing signs of speed and rebound strength, the lightweights will be of valuable help in building next year's varsity.

# City Runners-up

Mr. Daniel Piloseno, in his first year as freshman basketball coach, with a 9-3 record, completed a prosperous season, leading the squad to the runners-up position in the city league behind the Scott Bulldogs.

A fast, well balanced, accurate shooting ball club, the frosh should develop into a strong championship contender in the years to come.

Row one: Fred Kazmierski, T. Gallagher, B. Brubaker, B. Fournier, D. Rupp, P. Kessler
Row two: C. Miller, B. Compton, E. Nasser, J. Zargo, J. Beaber, J. Emerson, D. Cassidy

# Baseball Veterans

Middle row: C. Farrell, A. Schug, D. Doherty, D. Jaegle, J. Miller, B. Stearns, M. McAlear, D. Kopinski, C. Buckenmeyer, D. Mylek, P. Riley, mgr. T. Plekowski

Bottom row: M. Madden, G. Kwiatkowski, T. Lyons, J. Mattimore, D. Mahoney, R. Rokicki, C. Donahue, M. Brady

The Irish showed promise of becoming a great team by romping, at times unmercifully, over their opposition.

August Schug, Tom "Tiger" Lyons, "Flip" Filipiak, Bill Pontsler, Dale Kopinski and Mike Brady rounded out the pitching staff. Dick Jaegle, a junior, held down the "hot-corner" position. Playing shortstop, Bob Stearns, though only a sophomore, has proved to be a valuable asset to the team. Scooping up balls at second was Jack Mattimore, a fast moving senior playing his second year on the varsity. Doug Doherty, a junior, and Pat Riley were stationed at first base, while behind the plate, Chuck Farrell completed his third year on the varsity. Underclassmen who will lead the Irish to many victories in the future are: catchers, Dan Mahoney and Ron Rokicki; infielder, John Marciniak; and outfielder, Jim Miller. Searching for fly balls in the outer gardens for the Celts were such potent stars as Charles Buckenmyer, Mike McAlear, and Dick Mylek.

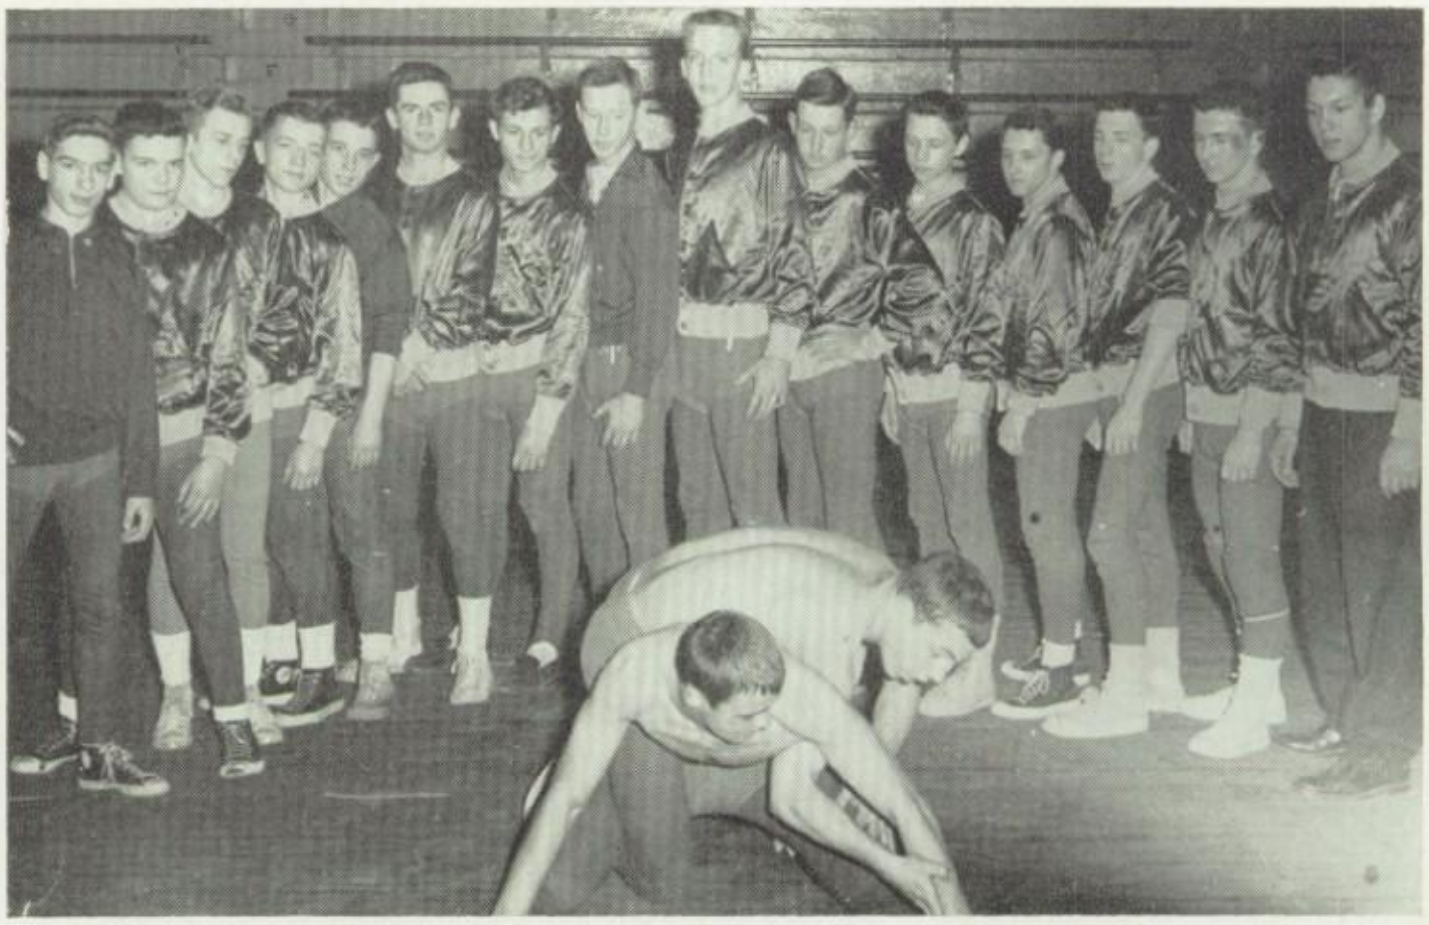
Tryouts for the 1955 Central track team

# Talented Thinclads

This year Central will again enter a track team in high school competition. After the 1948 season, in which the squad finished a dismal season in last place in the city league, track was discontinued. Mr. Timothy Dever, in his first year on Central's faculty, is coach. Central should certainly better its 1948 position in the city league as Mr. Dever has several talented boys on the team.

# Central's Mat-men

The wrestling team of Central Catholic High completed the '54-'55 season with a record of no wins against ten losses. Although the record doesn't indicate a successful season, the future is bright for Central's "mat-men" since this was only the second season for the team and a program of building a championship team is being conducted under the expert coaching of Gil Simon.



M. Giovanni, T. Kern, D. Nielsen, J. Thompson, G. Simon, D. Server, J. Fargo, R. Kahle, B. Wolfe, F. Tscherne, L. Lutjens, T. Barney, R. Kerscher, F. Hatfield, B. Koberick enjoy R. Mazur and P. Radlinski's style of wrestling.

# Title Contenders

Four experienced veterans and seven newcomers comprise the 1955 tennis team which aims to better last year's third place record of three wins and two losses. Jack McQuillen, Dave Conyers, Bill Dew, and Andre Lovell, all returnees from the '54 racket squad, carry Central's hopes for the city title.

2. (Left to right): Richard Capoun, Paul Hornyak, Thomas Cieslewicz, John Wiser, Donald Miller, Thomas Tafelski

# Future Keglers

Both Central bowling teams, American and National, wound up the season near the bottom of their respective leagues.

There is a bright future for the National league team since it is composed of sophomores who have gained the necessary experience which should lead to championships.

Jack McQuillen rolled the high game of the year, 218. A 200 game was also rolled by John Weiss. Those who rolled a 500 series included Ken Rober, Al Kish, Cecil Cezidacki, and Jack McQuillen.

# Fine Records

Central's golf teams have established marvelous records in the city league. In six years, they have lost only two matches and tied one. The 1954 team won the city championship with a record of five wins and one tie.

Besides playing in the city league, the linksmen also engaged in matches with Whitmer, Sylvania, Holland, and Ottawa Hills.

All the city league matches are played at Ottawa Park, while the non-league matches are played at Valleywood, Heather Downs, and Highland Meadows.

At the conclusion of the regular season, the four best players represent Central in the district meet at Heather Downs with the winners and runners-up qualifying for the meet at Columbus.

Standing: Ed Jacobs, Ed Nasser, Tony Rejent, Ron Croci, Coach Jim Tansey
Kneeling: Frank Kwiatkowski, Bob Jeziorski, Joel Kaminski, Chuck Rejent

# Annual Lettermen's Trophy

Selected as the outstanding players of their respective teams, Don Jurek and Norm Harrigan were presented with the second annual Lettermen's Trophy by Student Council President Don Peatee. Their names will be inscribed on the trophy along with last year's winners Bill Kennelly and Fred Gawecki.

Norm, a senior, who played offensive guard and various positions on defense for the 1954 football team, received berths on both the Times and Blade All-City Teams and was awarded the Michael DiSalle Trophy for playing ability and sportsmanship.

Don, vice-president of the junior class, averaged fourteen points a game during the basketball season and was placed on the Blade Second Team All-City, and merited Honorable Mention from the Times.

Shown from left to right are: Coach Dan Piloseno, Don Jurek, representing the basketball team, Don Peatee, Student Council President, Norm Harrigan, representing the football team, and Coach Fred George.

Bottom: Dave Lewis, Art Brubaker, Dean Manson, Bill Connelly

Top: Tom Plekowski, John Czarnecki

# Faithful Managers

A vital part in Central's athletic program is played by the student managers. Although they do not participate on the varsity football or basketball teams, these boys handle all equipment for the players and coaches. They attend as many practices as the players do and give much of their valuable time to serve in their capacity as managers. Some of their duties include: cleaning the cleats of the football players, caring for the football and basketball uniforms, and also aiding the other athletic teams.

# Utmost from Cheerleaders

Although every loyal Central fan cheers for his team, it is necessary to have a group of enthusiastic students to lead and unite the cheers. In this way, the team receives encouragement and strength from the student body as a whole, and is inclined to strive harder for victory. Without this help from the cheerleaders, Central would not be able to have a strong, organized cheering section in support of its teams.

# GAL Activities

The Girls' Athletic League, established at Central in 1930, has completed its twenty-fifth year as an athletic organization. Through the combined efforts of Miss Leonhardt, and the leadership of its officers: Pat Robinson, Marilyn Melle, Carol Jean Yost, Carol Ginter, and Sue Riddle, the G A L was again one of the most worthwhile activities of the school year.

The purpose of this organization is to promote and develop leadership, sportsmanship, athletic ability, and present an extensive physical and health program to its members. The G A L works together as a group doing its best to attain a spirit of charity among its members. Bowling, horseback-riding, roasts, picnics, and splash parties are among the activities offered by the G A L to any girl who desires to become an active member.

Miss Leonhardt is also the instructor for all girls' gym classes which include these activities: basketball, volleyball, shuffleboard, hit pin baseball, and modern dancing.

At the completion of the school year, the G A L sponsors an athletic banquet at which letters, chevrons, pins, bracelets, and trophies are awarded to members who have earned sufficient points. An All-Around Trophy is also awarded to the girl who is most deserving.

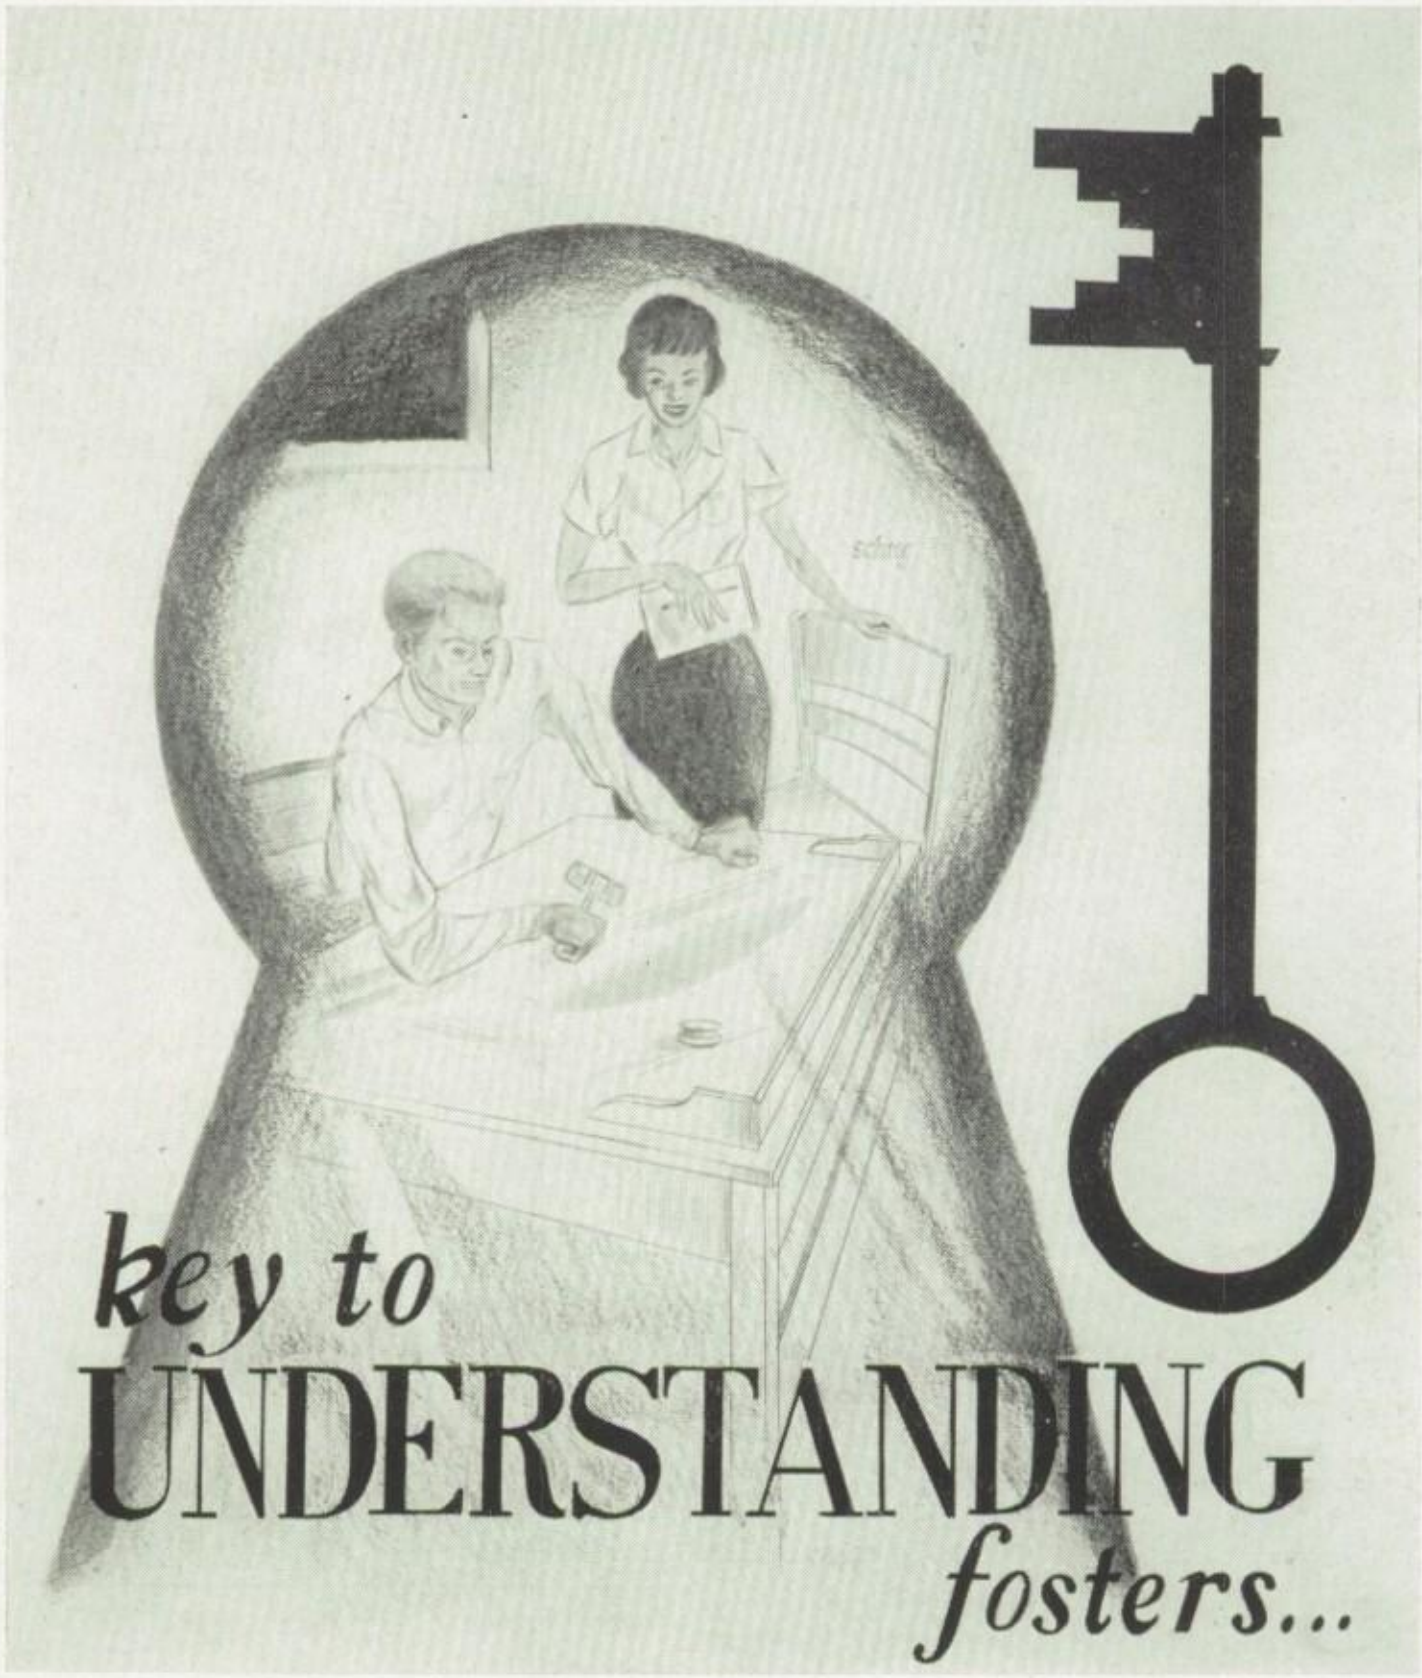
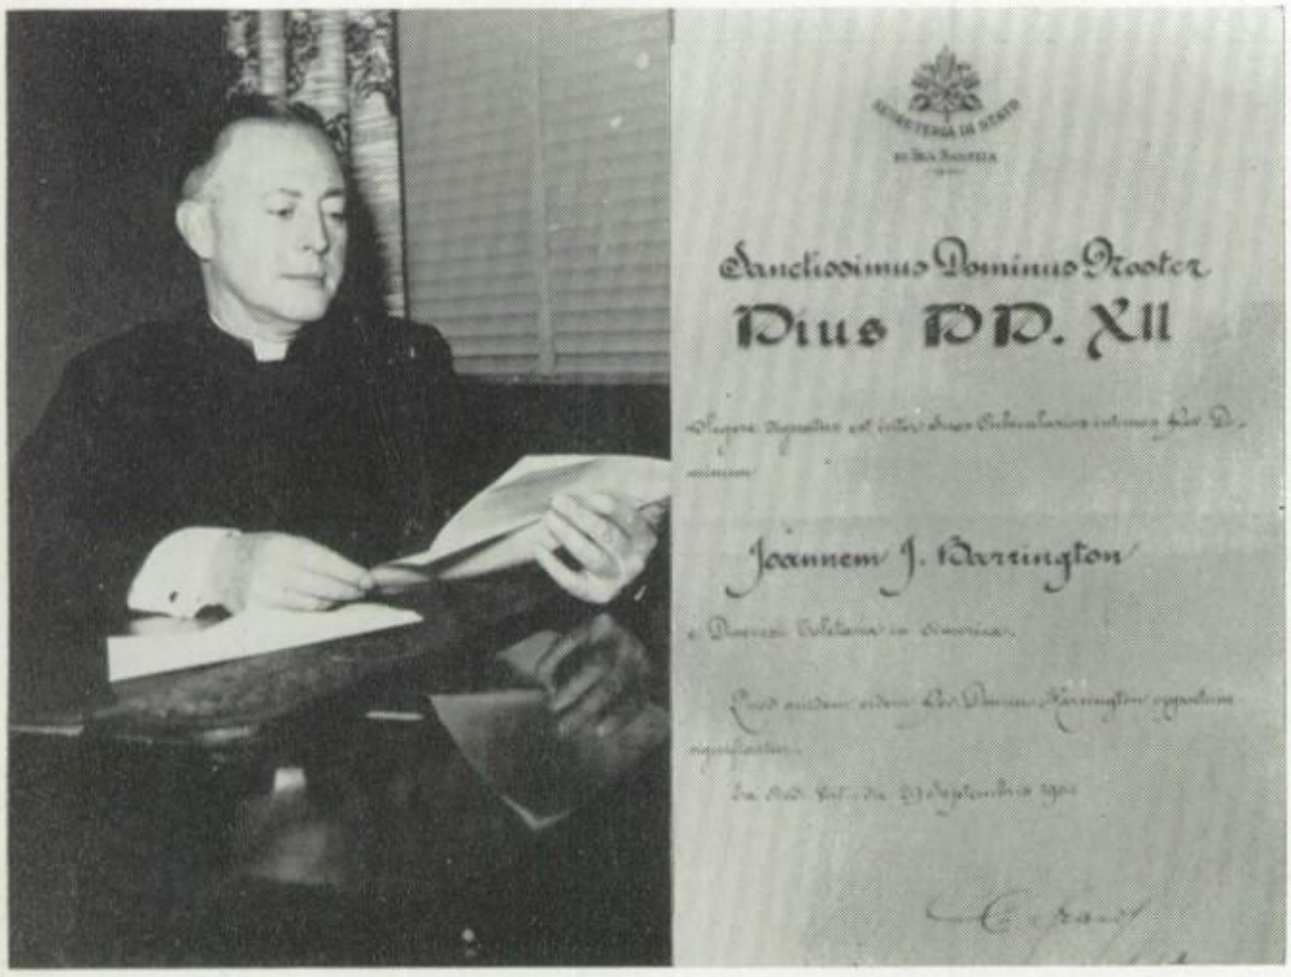
# ORGANIZATIONS



# Recognition of Principal



Monsignor Harrington peruses the letter sent to him by the Holy Father, Pope Pius XII, announcing his appointment as a papal chamberlain. To his right is a reproduction of the letter.

## Continous Devotion to Central

Shown to the left is the papal letter received by Monsignor Harrington, October 22. This document contains Monsignor's appointment by His Holiness Pope Pius XII, and expresses the acknowledgement for the Very Reverend John L. Harrington's continuous devotion to his duties as principal of Central Catholic High School.

## Presentation of Gift

At the assembly in his honor, Monsignor was presented with a student-body gift by the Senior Class President John Hayward, who expressed the elation of the student body concerning Monsignor's appointment. This gift was just a small token expressing the gratitude of the students and faculty to Monsignor for his untiring interest in the welfare of Central.

Monsignor Harrington accepts the gift of the student body from Senior Class President John Hayward.

2. A scene from Monsignor's early life.
3. The guest of honor arrives!
4. Very Reverend John L. Harrington garbed in the robes of a Monsignor.

# Assembly Honoring Monsignor

To celebrate the Investiture of Monsignor Harrington, the Student Council, directed by Central's assistant principal Reverend Michael J. Walz and Sister M. De-Paul, SND, planned an assembly to honor Monsignor, the Tuesday before the Christmas vacation. To insure the participation of all four classes, it was decided that the freshmen and sophomers would conduct the first assembly, a review of Monsignor's life, and that the juniors and seniors, in the second assembly, would summarize a typical day spent at Central by its principal.

**FTA Officers:** Sue Camp, secretary; Judy Cooper, treasurer; Binnie Harrison, president; Sue Ferrenburg, vice-president

## Sense of Leadership

The Future Teachers of America, established at Central five years ago, has become an active and successful group. Since its beginning this organization has ably carried out its three-fold purpose; first, obtaining information for members concerning the opportunities and the advantages open in the field of education; secondly, developing the virtues and forming the character in the students necessary for a good teacher; thirdly, inspiring the young people with a strong sense of leadership by the study of the lives of great educators.

Attending lectures and social functions as well as the club meetings, constitutes the yearly activities of the members of this organization.

## Interest in Nursing

For the past two years members of the FNA have been crusading for nurses to staff America's hospitals, clinics, and institutions. Through membership, prospective nurses are introduced to the duties and responsibilities of the nursing field by guest speakers at monthly meetings. Further acquaintance with the nursing field is attained by frequent tours of city hospitals.

The FNA sponsored two additional activities this year; the installation of officers and an assembly. This year marked the second year in which the FNA was a member of the Toledo Interschool Council of Future Nurses.

**FNA Officers:** Georgene Smith, secretary; Lois Jasinski, sergeant-at-arms; Marie Popp, president; Sue McCartney, treasurer; and Barbara Mettler, vice-president

**Camera Club Officers:** James Dailey, secretary; Barbara Hart, treasurer; Joanne Calkins, president; and John Wilhelm, vice-president

## Intriguing Hobby

Proving its worth by functioning for the ninth year, the 4C Club (Central Catholic Camera Club) serves the student who wishes to assume a fascinating hobby, and also provides some of the basic fundamentals for the students who choose a career in the photographic field.

Each week the members meet to discuss different points relative to photography, and once each month, slides are shown to familiarize the members with fundamental procedures, such as developing and enlarging pictures. In addition students may bring their cameras to meetings and inquire about how to obtain composition in a picture with a particular type of camera.

If active participation is shown and the number of required points is earned, a member will be awarded a letter.

**Chess Club Officers:** standing: L. Kalousek, president; C. Kraus, 2nd vice-president; C. Brier, 1st vice-president; seated: B. Smyth, secretary and treasurer; D. Farmer, sergeant-at-arms.

**Radio Club Board of Directors:** Donald Priebe, secretary; Joe Furfaro, chairman; Bill Achinger, treasurer; and Jerry Dashner, sergeant-at-arms.

## Concentration on the King

The Chess Club, established three years ago, aims to enrich the intellectual faculties of its members and promote good sportsmanship. The game sharpens the foresight of the player in that he must look ahead in formulating his strategy, and gives him a keener insight in protecting his king. It also exercises the memory by the apprehension and memorizing of diversified plays and counterplays.

Weekly meetings, held every Tuesday, provide the members with an opportunity to play the classical game as well as discuss recent innovations by the modern masters.

## Maintenance of Station

The Radio (Ham) Club, composed of licensed amateurs and students, celebrated its third year in existence by enlarging its enrollment and expanding its communications with area schools. Meetings for instruction in code and theory are held every Tuesday and Wednesday, with a general business meeting on Fridays. The Radio Club maintains its own station in the basement of the Music Building.

## Development of Moral Virtues

Restoring the practice of a Christian way of life, by effecting necessary changes in the social pressure and developing moral virtues, is the aim of the Young Christian Students Association.

Projects conducted by the YCS this year were: two combined Seminar and Study Days, the Freshman orientation assembly, Retreat pamphlet service, day of recollection, a Dating Forum, and the annual Career Day.

**YCS boys' leaders:** J. O'Brien, B. Raitz, moderator Fr. Beauregard, J. Klein, B. Worland, and D. Radecki, plan Dating Forum, while girls' leaders: S. Brown, M. Eich, K. Walkowski, U. Joseph, C. Wimmenauer, J. Oliver, and MaryAnn Sinay, conduct panel discussion.

# The Voices of The Student Body . . .

Directing the twenty-second Student Council are: Janet Flynn, Secretary; Chuck Gallagher, vice-president; Don Peatee, president; Ursula Joseph, treasurer.

## Speak Through The Student Council

Under the guidance of Reverend Francis J. Gross, OSFS, and Sister Mary de Paul, SND, the Student Council completed its twenty-second year with many achievements to its credit of which the entire school can be proud.

Comprised of its four officers, the commissioners of the various departments, all class officers, a representative from each conference room, and the presidents of all recognized school organizations and clubs, the Student Council is the voice of the student body and affords an opportunity to all to participate in student government.

At monthly meetings, conducted by Parliamentary procedure, student opinions are expressed, discussed, and acted upon. By this means successful promotion of school activities—spiritual, social and athletic, is attained, and a closer union between the students and faculty is procured.

The Student Council is affiliated with the National Association of Secondary Schools, and the Toledo Area Student Council which was organized by Frazier Reams in 1946.

5. Joel Kaminski, hall guard, keeps corridor clean with a "little" aid.

# Christian Principles

The Student Spiritual Council endeavors to promote among its members the practice of Christian principles in everyday life by encouraging the students to become active members in the organizations it maintains. The council is comprised of five different committees: the Saint John Berchmans Society, composed of acolytes; the Eucharistic Marian Committee, those especially devoted to Mary and the Eucharistic Lord; the Apostolic Committee, zealous missionaries; the Literature Committee, students interested in promoting good Literature; and the Saint Hilda's Guild, handmaids in the house of Christ.

Row 3: M. Donnelly, L. Martin, B. Raitz, L. Archambeau

# Devotional Activities

The Eucharistic-Marian Committee, an organization dedicated to the spread of devotion to Christ in the Eucharist and His Blessed Mother, holds bi-monthly meetings where the students plan activities of the organization.

Besides encouraging frequent reception of Holy Communion, daily visits to the chapel, recitation of the rosary, the Committee endeavors to make the Church Unity Octave a success at Central.

During the Marian Year the Eucharistic-Marian Committee sponsored a pilgrimage to the parishes of O.L. P.H., Immaculate Conception, Cathedral and Saint Mary's, as a tribute to Our Lady, and as a climax for the year an assembly was presented in her honor.

The annual May Convocation, towards the end of the school year, marks the close of the committee's activities.

# Mission Zeal

The Apostolic Committee consists of Centralites who are interested in using their mission zeal to spread the word of Christ to all nations. This committee is made up of one representative from each conference room and holds its meetings monthly for the purpose of promoting more and better mission activities in the school. During the school year this organization holds a mission day once each month, promotes the sale of Christmas cards and seals during the Christmas season for the financing of home and foreign missions, and takes charge of a drive for the ransoming of pagan children.

Each year the committee presents an assembly at which Paladin Awards are given to members who have participated actively in the events throughout the year.

Sitting: Judy Veigel, Barbara Sarno, Lynn Veigel, Sharon Whitaker, Carol Czyewski, Shirley Ehle

Standing: John Graham, Dave Wenzler, Joel Kaminski, John Maraldo, Dick Server

Bottom Row: G. Smarszcz, T. Grady, P. Fischer, P. Dow, L. VanNest, E. Cahill
Top Row: T. Anaple, B. Beauregard, B. Fredricks, J. Duerk

## Christian Reading

The aim of the Literature Committee is to promote Christian reading not only for the students of Central and their families, but also for all Toledoans.

In order to give the students an idea of the good literature published in opposition to indecent literature, the Committee sponsors Book Week, during which intriguing posters and displays of books, pamphlets, and magazines are exhibited.

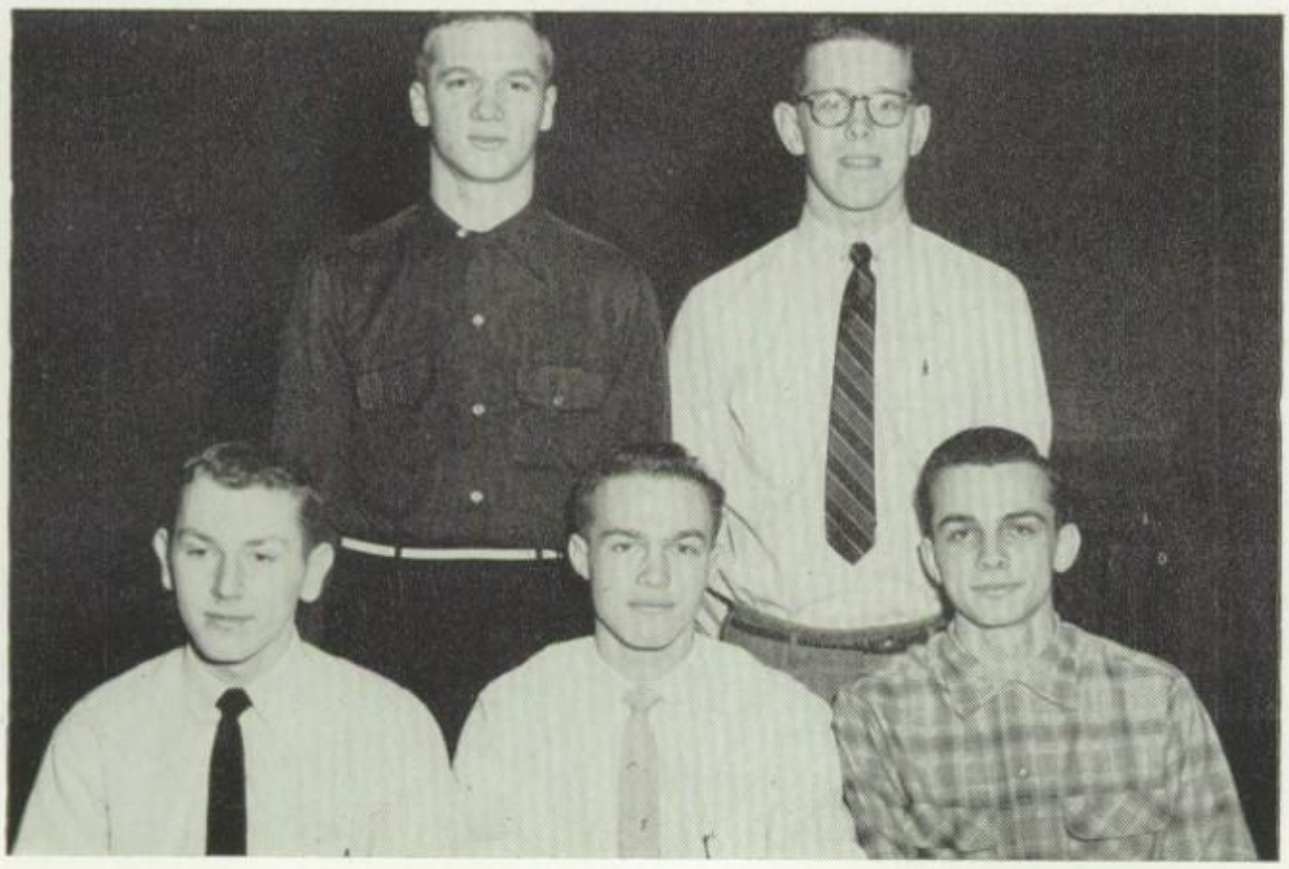
In addition to Book Week, a monthly list of approved reading material is distributed and a faculty tea is sponsored. This book list gives only titles and authors, but further inquiry on the part of anyone interested would lead to a more complete summary of best sellers.

## Care of Altar

Realizing that Our Lord's home deserves much attention, a special group, the St. Hilda Guild, members of girls' art classes, has as its main duty the upkeep of the School Chapel.

Because of the generosity of these girls the Sanctuary, and all its appurtenances, are fittingly prepared for daily Mass, Benediction, Retreat, and First Friday decorations.

Sitting: Patricia Slater, journeymen representative; Marilyn Melle, treasurer; and Sandra Bialecki, vice-president; standing: Brook Miller, apprentice representative; Charlotte Okonski, president; and Judy Pluciniak, secretary



Sitting: Bill Dew, treasurer; Frank Phelps, secretary; Harvey Wales, president
Standing: Tom Nachazel, master of ceremonies; Jack Ryan, vice-president

## Religious Vocations

Fostering Religious vocations among its members is the main goal of the Saint John Berchmans Sanctuary Society, which was established at Central in 1936.

Relating to this aim the boys are given the opportunity to serve daily Mass in the school chapel, assist at First Friday Benediction services, participate in the retreat, and take part in the annual May Convocation ceremonies.

## Self-reliance

To afford the students an opportunity to put into practice the knowledge gleaned in the journalism classes, "The Centric" is published bi-weekly during the school year. The staff, composed entirely of senior journalism students, consists of co-editors, page editors, associate editors and typists as well as the business and circulation departments. With the variety of positions, it opens fields of work to any student, no matter what his penchant.

While editing "The Centric," the staff learns to write news stories, feature

stories and editorials, prepare copy for the printer, proofread the galley proof, and develop the make-up of each particular issue on the dummy. One of the most important lessons the students learn by working on "The Centric" is the necessity of self-reliance.

This year the staff discarded the nameplate, which had been used for eight years, and adopted a new logo, which consists of the words "The Centric" in Old English lettering superscribed over a quill and scroll.

## Centripetal

After the appointment of the Centripetal co-editors, they, with the associate editors selected keys, and their importance to the daily life of every Centralite, as the theme of the yearbook.

The various divisions of the staff, associates; senior, underclass, organization, sports, typists, ad managers, and business managers, then began work on their respective assignments.

## Compilation

As material for each section was compiled by the editors of the various organizations, the book proceeded to take shape. The creative touch to the annual was contributed by the photographer and artists; the business set-up by the ad and business managers, and the senior set-up by the senior editors, were added to the other material and the book was sent to the printer for printing and binding.

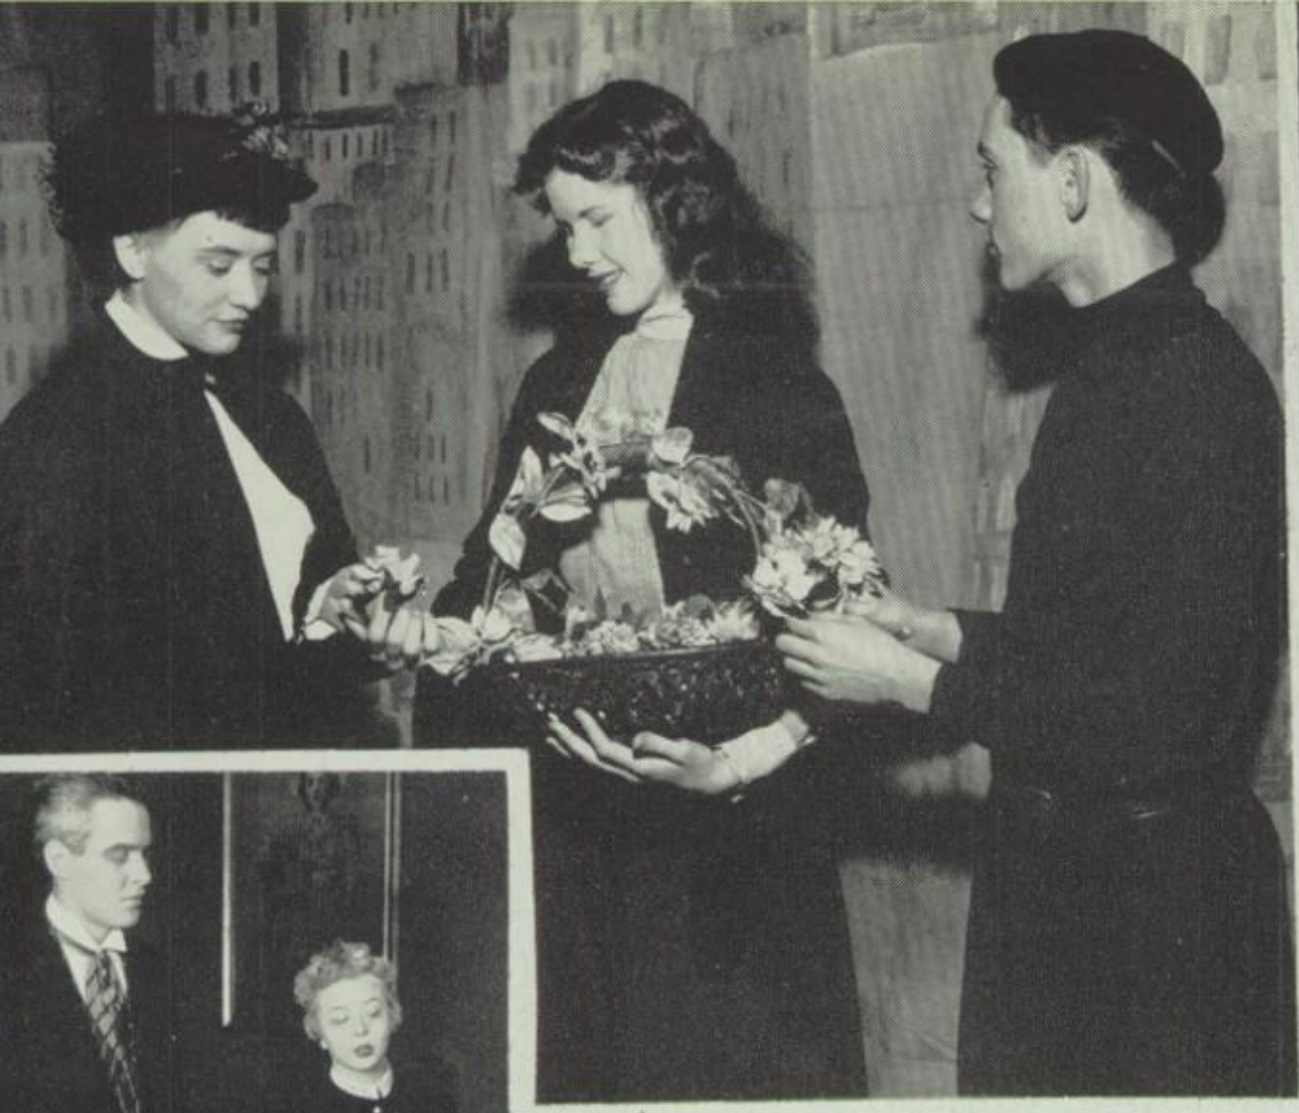
# Ambitions of Senior Thespians

Under the direction of Reverend Walter Dean, OSFS, "Pygmalion," by George Bernard Shaw, was presented on November 18, 19, 20, and 21, in Central's auditorium. The musical aspect of the program was provided by the Orchestra, conducted by Mr. John Bennett.

The setting for this three act comedy is early Twentieth century London. It is the story of Eliza Doolittle (Patricia Dow), a guttersnipe, who is taken in by Professor Henry Higgins (Kevin Solon), on a bet made by Colonel Pickering (John Hayward), to be changed into an acceptable young lady of high society.

As the play opens, some theatre-goers, (Bill Dew, Binnie Harrison, Ed Hoover, Jean King, and Pat Tansey,) take shelter from the rain as do Professor Higgins, the Colonel, and Eliza.

Upon receiving permission for the transformation of Eliza from Mr. Doolittle (Mike Haugh), a chimney-sweeper destined to become a well-known lecturer, Professor Higgins gives needed lessons in etiquette to Eliza. Bolstered with this knowledge and extra coaching from the housekeeper, Mrs. Pearce (Josephine Hoover), Eliza visits Professor Higgins' mother, (Phyllis Pawlikowski). The maid (Patricia Fischer), introduces Mrs. Higgins and her guests, Mrs. Hill (Elaine Baumgartner), Miss Hill (Theresa Brady), and Freddy Hill (James Annarino). Professor Higgins wins the bet, but loses his love Eliza, who marries Freddy Hill.



2. Refugees from the rain buy flowers from Eliza.

3. "You have so much culture, Colonel Pickering."

4. "Give me that, you worthless guttersnipe."

5. "Mrs. Higgins, this is Mr. Doolittle."

6. "I shall miss you, Eliza."

# Musical Talent

Mr. John Bennett
Music Director

This department, under the direction of Mr. John C. Bennett and Sr. Almeda RSM, offers a special opportunity for all students musically inclined. It consists of the Glee Club, singing along, with the orchestra, stringing along and the band, marching along. These groups are accompanied on the piano by Mary Wetherill and Elaine Quetschke.

The Glee Club consists of about 90 members who participate in various assemblies, the football banquet, the May Convocation and an annual spring concert. The highlight of their activities was the operetta "Brigadoon," in which they were assisted by the orchestra.

Although this year's orchestra was composed of only twenty pieces, its performances in assemblies, at the spring concert and in the intermissions at the Senior Play "Pygmalion" were praised by all listeners.

One of the hardest working organizations throughout the school is the band. It adds color to assemblies, pep rallies and football games, and also participates in the annual May Convocation.

# Annual Operetta Presentation

Central's annual operetta presentation was whimsical "Brigadoon," a romantic fantasy by Frederick Loewe and Alan Jay Lerner. The Music Department's 1955 production, under the direction of Reverend Walter Dean OSFS, and Mr. John Bennett, was staged at the State Theater, April 29, 30, and May 1.

The story of Brigadoon centers around two New Yorkers, Tommy Albright (Terry Beuter) and Jeff Douglass (John Quinn), who, while hunting in Scotland come upon Brigadoon. At the village fair, Tommy meets and falls in love with Fiona MacLaren (Janet Flynn), daughter of Andrew MacLaren (Kev Solon), as the family is preparing for the wedding of Fiona's sister Jean (Pat Fischer) to Charlie Dalrymple (Don Peatee). Likewise, Jeff's heart is captured by Meg Brockie (Arlene Perry), a determined village lassie.

Vendors who are selling their goods at the fair are: Angus McGuffie (Mike Coyle), Sandy Dean (Thomas Anaple), and Archie Beaton (Thomas McColl), whose son Harry (Nick Curto), is still in love with Jean.

While at Brigadoon, the two Americans learn of the legend of the town from Mr. Lundie (John Hayward). It consists in a bargain between Mr. Forsythe, deceased minister of the village church, and God, by which each night would last one-hundred years. No occupant of Brigadoon was allowed to leave, but any outsider who loved a member of the town was allowed to remain. Harry attempts to escape but is accidentally killed by Jeff.

Two months after returning home, the Americans become reestablished in their former habits. Jeff is being sued by Frank (Ed Hoover), a bartender, when Tommy returns from a farm in New Hampshire, and his fiancee Jane Ashton (Sandra Nadeau) appears. Upon breaking their engagement, Tommy and Jeff return to Brigadoon, where Tommy is given another chance to join his beloved Fiona.

## Coronation of Mary

One of the highlights in the school year at Central is the annual May Convocation. The students after the act of consecration, assemble on the school campus where a boy and girl, in the name of the students, crown Mary, Queen of May and Queen of Central.

Left to right: Barbara Brigham, Judith Veigel, John Hayward, Margaret Gurren, Michael Haugh, Joanne Deger, Richard Radecki, August Schug, and Marilyn Gang. Absent from picture, David Henige.

# Graduation

After four years of hard work and thorough enjoyment, the top ten students of the senior class prepare for graduation exercises by donning the cap and gown. They realize that the principles and virtues developed, and the knowledge received at Central Catholic, their Alma Mater, will serve them throughout their entire life.

# Franciscans To Join Central's Faculty

Famed Shrine of Our Lady of Consolation at Carey, Ohio

To supply Central with religious teachers to replace the Oblate Fathers of St. Francis de Sales, who will be needed to staff Toledo's new high school for boys, the Rev. Basil Heiser, OFM Conv. provincial, in response to Bishop Rehring's request, will send five Franciscan Fathers to Central in September 1955.

The Franciscans may be new to Central Catholic as faculty members but black-robed Franciscans are not strangers to the people of the Toledo diocese. Since 1912 the Franciscans, Friar Minor Conventual, have cared for the famed Shrine of Our Lady of Consolation at Carey, Ohio, and have been constant "assistants" to the diocese in preaching Retreats, Missions, Days of Recollection, and Forty-Hours devotion.

In the field of Christian education, they are not newcomers for the Order has a long line-up of ancient and modern scholars who continue to hold their place among the educators of the world. At Carey, Ohio, the Fathers have maintained a seminary for twenty-one years.

**"A Sad Farewell" 1955**

With the foundation of the new St. Francis de Sales High School, six Oblate Fathers are leaving Central Catholic, severing a twelve-year association which began in September of 1943.

The opening of their Toledo house that year marked one more milestone in the Order's distinguished career of service. Founded by the Very Reverend Louis Brisson in France in 1872, the Oblates arrived in Wilmington, Delaware in 1903, to establish their first American house. Today, besides serving in Toledo and Wilmington the Order maintains nine houses in Maryland, Pennsylvania, New York and Michigan, where members are engaged primarily in teaching, preaching missions and parish work.

Although the establishment of St. Francis de Sales boys' school deprives Central of the services of the Oblates, it marks an expansion in the scope of their services to the people of the Diocese of Toledo. It is in that spirit that we of Central thank the Oblate Fathers and wish them Godspeed in their new undertaking.

# Reaching for the Stars?

☆ OF COURSE YOU ARE, why not? It means you are ambitious . . . looking forward to the years ahead to whatever they will bring . . . to the big challenge of making your own way . . . to reach the top in whatever field you select.

IT'S GOOD — this ambition — because, properly channeled, it leads to accomplishment, and security, and all the good things in life you have a right to expect.

YOUR FIRST STEP is to select a job in which your talents can be explored and used most fully.

YOUR INTERESTS may lie in, say, the field of electronics . . . or hydraulics, chemistry, mechanical engineering . . . or they may lean toward office work, or administration . . . or many of numerous interesting and rewarding occupations. Whatever your dreams, whatever your ambitions, we believe you can fulfill them at Auto-Lite, because Auto-Lite offers many opportunities in these and many other fields. Auto-Lite is the world's largest independent manufacturer of automotive electrical equipment, but that tells only part of the story. In short, we believe we are big enough, diversified enough to meet any demands your ambition calls for.

WHEN YOU COME TO TALK to us, bring your ambition . . . and your dreams. We're interested in young people who are reaching for the stars.

OWENS-CORNING
FIBERGLAS

Fiberglas materials, in many versatile forms, provide comfort, economy, efficiency and quality in thousands of products. Small wonder people say . . . **What'll they do next with Fiberglas materials?** The only limit is man's ingenuity. Sparking that ingenuity and helping it work new wonders continues to be our job and challenge at Owens-Corning. In the years ahead, you'll see many more reasons why we can promise . . .

**Fiberglas is in your life . . for Good!**
